

Dear Parents

This letter has been sent home to inform you about your child's learning for **next week**.

In **Literacy**, we will be planning, writing, editing and giving feedback on a letter.

In **Numeracy**, we will be looking at adding and subtracting using partitioning and column methods. We will also be looking at addition and subtraction number facts and interpreting graphs.

In **Science**, we will be researching how the spin of the earth gives us day and night.

In **IPC**, we will be enjoying our final week of Media Magic, including our exit point! Your child is invited on Wednesday to come to school in their best dress or suit to enjoy the occasion.

In **PSHE**, we will be thinking about how the food we eat effects our bodies and will be designing a nutritious meal.

In **ICT**, we will be learning about PowerPoint presentations and how to present to an audience.

For **Spellings**, please practise any words that have the following sounds in with your child. They will then be tested on 10 random words that have this sound in on Thursday to see how they are applying their phonics learning to spelling.

Mr Chad's group: 'k' as in kit, and 'e' as in end.

Ms Nadine's group: 'qu' as in quit.

Mr Spencer's group: 'oa' as in boat.

Mrs Burgess' group: words with 'sp', 'tr' or 'sk' in, as in spot, wasp, trip and skin.

Ms Dianne's group: 'ow' as in flower, and 'oi' as in boil.

Ms Claire's group: 'ir' as in bird, and 'oy' as in boy.

Ms Dipti's group: 10 Year 2 Tricky/High Frequency Words, as found in their communication book.

Ms Clara and Ms Asma's groups: 'Week 16' from the Year 2 Spelling list; the words can be found in their communication book.

Notice & Reminders:

- Ties are available from Reception. Please ensure your child is wearing a tie as part of their school uniform.

Have a lovely weekend!
Yours faithfully
Year 2 Team
