Mr. Mark Thomas

SCHOOL PRINCIPAL

As Principal of the British School of Guangzhou, I can honestly say that I have always looked forward to writing an opening for the yearbook since I joined the school back in 2008. Normally, this is an opportunity to celebrate all the wonderful events that take place in our school. However, this has been no ordinary year. The impact of Coronavirus has been felt across the world, and it would be impossible to summarise the year without recognising this. I know that everyone in the BSG community will have faced their own personal challenges. There have been moments of real anxiety, as we have all tried to adapt to the situation. As Principal, I would like to recognise the support of my SLT team, including the Heads of the Admin teams, who have worked so hard behind the scenes to help us prepare to reopen our school.

Initially, our teachers had to face a huge learning curve in providing children with a Virtual School Experience. Many of them were overseas when this happened, and have faced additional challenges with internet connection and time differences. I am proud to say that BSG teachers met this challenge and have done an amazing job of minimising the impact on our students. The support of our parent community has always been a feature of our school. During this difficult time, I can honestly say that the support of our parents has also been impressive. We understand that many families have been under tremendous stress, as they tried to find ways to support their children in making the most of the Virtual School Experience, while also managing their own personal situation. I would like to take this opportunity to thank parents for their efforts — we would not have done so well without your support.

As we come to the end of this academic year, we are saying goodbye to our Head of EYFS, Mrs. Danielle McKenna. I am sure that parents, staff and students will join me in thanking Danielle for her contribution over the last 2 years, and in wishing her and her family all the best for the future. A number of staff and students will be leaving at the end of this year, and we will be saying our goodbyes either face-to-face or virtually in some instances. I wish each and every one of them all the best for the future and would like to sincerely thank them for their contribution. Although I do not usually pick out individuals, I do need to add a personal thank you to Mr. Andy Cunliffe and Ms. Helen Jones, who have been excellent role models to staff and students alike over the last 9 years. We wish them all the best for their new life in Australia, where I am sure their son, Benjamin, will make the most of the outdoor life.

My final goodbye is for Mr. Peter Sinclair, who has been teaching music at BSG from the very first day we opened in 2005. Peter is known to almost every member of the community, and I know that you will all join me in wishing him every success in the future. I have a feeling we will see him at some of our future events, and know that he will always be welcome at BSG.

As well as saying goodbye to key members of staff, I would like to congratulate Mr. Matthew Cox, our Head of Primary, for an exceptional first year in post under very difficult circumstances. Matthew's experience in leading schools through difficult times has proven invaluable in helping us deal with the challenges of this year. I'm quite sure that he will be looking forward to his summer break, even if he is not allowed to travel very far.

The 2020/21 academic year is a particularly important one for The British School of Guangzhou, with the opening of our new, purpose-built campus, that provides an alternative option for EYFS and Primary students. We are looking forward to welcoming Ms. Tracy Connor to Guangzhou as the Head of Primary at NAISGZ. I would also like to thank our administration team, who have worked incredibly hard behind the scenes to ensure that, despite the additional challenges, our new campus is able to open on time. This is a remarkable achievement, and we are looking forward to seeing our students benefit from these excellent new facilities.

As I reach the end of my message, it is wonderful to be able to report that our A Level graduates have received over 100 offers from universities all around the world, including offers from the University of Cambridge, UCL and Imperial College London. For students who applied to the US universities, we have received 10 unconditional offers from Carnegie Mellon University, Purdue University and Case Western Reserve University. Well done to all students, and I must admit, I was particularly proud to hear that Shing received an offer from Cambridge. Shing joined the British School as a Nursery student in 2007, and this achievement is a testament to his teachers and to his commitment to his studies.

This has been a truly unique year, which I hope we never have to repeat. Enjoy the break in August and we will see everyone again on 1st September when the new academic year begins.

"I would like to take this opportunity to thank parents for their efforts — we would not have done so well without your support."

"Can you please stop being so sassy?" - Claire Liang

Jane Xiao

"But first, ice Americano." - Jenny Park

Jessica Tanchon

"United Airlines just loves to profile me." - Brendan Ng

"I choose to run towards my problems and not away from them, because that's what heroes do." - David Fung

Class of 2020

Year 7

Year 7 students have been exploring the formal elements, sculpture and colour, taking particular inspiration from Robert and Sonia Delaunay. Their creativity excelled, using colouring pencils, paint and found objects to explore these themes.

Year 8

Year 8 students carefully studied and drew their own self-portraits aiming to capture accuracy of shape, correct proportions and the personal, unique qualities of their own features. Alongside this they embraced the digital world, creating portrait mash ups from a selection of the movements they studied at home.

ANNABEL KIEW

FEDERICA YEE

FIFI WU

Year 9

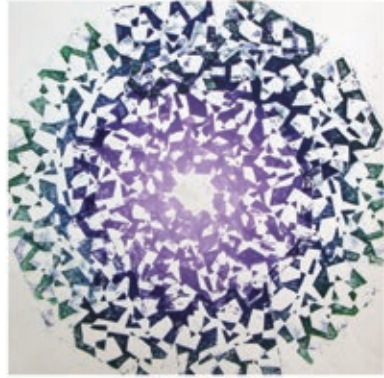

Through an exploration of 'Identity', Year 9 students investigated a selection of medias and designs to help show aspects of their own personalities, cultures and influences. They looked at different artists and object representation to help visualize

With a driving theme of 'Drawn to Life' this year's Big Draw involved a range of materials, explorations and inspiring artists for many of our students. From mono and relief print, to experimental collaborative drawing tasks involving bones and organs, mixed media studies and fabric transfers, we did not shy away from the challenge!

We also had visiting artist and designer Leanne Claxton joined our GCSE and Alevel students, teaching them the process of heat transfer with her botanically inspired work.
