

German & Spanish Curriculum Overview

Modern Foreign Languages Key Stage 3- Year 9

Introduction Phase

Students learn and practice basic communication within the classroom, like asking for help, working together, being polite with each other or common language they will need during games or activities. They will reassess their levels, discuss how to make progress during the coming terms and set targets.

Entertainment

Students learn talking about movies and music. They will be able to introduce their favorite movie, describe the actors or the story and give their opinions. They can also discuss whether watching TV is still popular or whether other platforms are better. Students will be able to discuss what kind of music they listen to and why. They will be able to say when and where they listen to different kind of music.

From a cultural side, students will learn what kind of movies or music are popular in target countries. They will analyze and discuss statistics about entertainment and compare themselves with teens from around the world.

My future plans

Students will learn to discuss about their subjects at school and what they are planning to study for their IGCSEs and A-Levels. They will be able to talk about the importance of studying certain subjects. Students will have a further look into their future and talk about what and where they would like to study and what job or career they want to pursue.

From a cultural side, students will look at the subjects that are popular in target countries and how that differs from their own county. They will learn which jobs are important and whether they are paid well.

The world around me

In this last topic, the Students will start exploring wider topics, mainly based on their interests. They will be looking at the news and recent events around the world. They will discuss typical teenager problems or what it means to be environmentally friendly. Another topic that students might want to explore is *Art* and the question “*What is art*”? They could learn about famous artists and artworks in the target culture. If there is time and interest, student will also have a glance at the most important moments in the history of target language countries and practice describing past event.
