

## HEAD-LINES

5<sup>th</sup> November 2015

Dear Parents,

I hope you had a good holiday last week. The children have settled quickly into school, and there have been some fantastic learning activities going on in many classes.

Many of you are new to school this year, so I wanted to explain what happens if you need to collect your child from school before the official end of the day. Please go to the Reception, where Helen or Reem can assist you with a note to say that you are taking your child early. This needs to be handed in to the Security guards as you leave the school grounds.

### Bugs and Butterflies Picnic-a reminder

On Friday 13<sup>th</sup> November, we will be holding our annual school picnic from 8:00am-10:30am here at school. This year's theme will be: 'Bugs and Butterflies.' We will provide some croissants, fruit and refreshments, but please bring along a dish to share for the event. The food will be set out in the main entrance foyer of the school. Please name any dishes which you require to take back. Please remember to return your response slip to help us with catering requirements.

### November for Morgan

The moustache, the goatee, the beard; you name it, he tried to grow it, despite only ever ending up with the stubble... at best!

November is an annual event involving the growing of moustaches during the month of November. Although this is done for a variety of reasons, this year in Compass many of the male staff will be taking part to raise money for the Eamonn Morgan Trust.

The Eamonn Morgan Trust was set up in Eamonn's memory by his family and friends to highlight Eamonn's dedication as a teacher and coach to children, in particular children from underprivileged backgrounds, and for his love and passion for sport. The trust's main focus is to support a street children's shelter in Zambia in partnership with the local charity *Friends of Africa* and to also assist local sports clubs that are in the heart of the community that Eamonn grew up in to help engage children in sport.

Please click on this link below if you would like to make a donation or simply to get more information. Mr Doyle will be our point of contact for this at school.
