

Curriculum Synopsis

The aim of this course is to introduce students to the Arabic language and to immerse them with the cultural aspect that would help them build their language proficiency. Grammar will be one of the learning focuses as it builds the accuracy of the written and the spoken speech.

For this term, we will be covering “Routines” and “Holidays and Celebrations”. By the end of the term your son /daughter will have the opportunity to build the language skills through a variety of learning outcomes, which are outlined in the curriculum brief of term 2.

Listening:

Understand the main idea and a few details of texts and presentations on several topics related to daily life, personal interests, and studies.

Reading:

Understand most information and details in texts related to daily life, personal interests and studies. The reader can sometimes understand short narrative and descriptive texts.

Writing:

Write on topics related to work, study and will begin to increasingly use different tenses.

Speaking:

Engage in conversations about familiar topics with a reasonable fluency. The speaker can handle uncomplicated daily social situations. He begins to use simple structures and different tenses. The speaker can give organized oral presentations about his life and school.

Supporting at Home

Ask students to share what they are learning in class and have them teach you about what they know. You can support your child's learning at home by encouraging him to use the below interactive tool

www.educationperfect.com (username and login provided by teachers)

www.linguascope.com (username and login provided by teachers)

<http://www.arabalicious.com/primary-resources.html>

Extending Beyond the Curriculum

To extend your child beyond the curriculum please encourage your child to read at home. We strongly recommend that all students read for a minimum of twenty minutes every day.

Here it is the website of our reading platform that the school offers to our students:

<http://www.kutubee.com/> (username and login provided by teachers). This can be installed on iPad from the play store.

Your child can improve the reading by using the Arabic library books. Please encourage your child to seek the help of the Arabic teacher to choose the books that interest him from the library.
