

Welcome to issue 16 of the NAS Jakarta Newsletter 2020-21.

In this final newsletter of the year, we feature our wonderful young musicians in Mr Brent's Music Roundup. Learning a musical instrument (including the voice) requires commitment, patience and perseverance, so congratulations to the students who have shown these characteristics this year.

Last week we had the pleasure of seeing Years 1 – 6/7 children in our classrooms for face-to-face learning. Photos of their experiences are shared with you in this newsletter. We were delighted with how smoothly the mornings went and being a pilot school has allowed us to thoroughly test all our protocols ready for August.

Thank you to those of you who have already completed our [re-enrolment survey](#). It is still open for you to complete if you haven't already done so.

I look forward to seeing you for the last time this academic year in our assembly at 11:00 on Wednesday 30th June (see below for the Zoom link). During the assembly we will celebrate our NAS Jakarta school community and remember some highlights of the year as chosen by the children.

In the meantime, I hope you all have a happy and safe weekend.

Kind regards,

Rosy Clark

Principal

A Look at Learning

School re-opening with Years 1, 2 and 3

In our last newsletter we featured Years 4, 5 and 6/7 and their face-to-face learning. Last week, Years 1, 2 and 3 joined the older students on campus. The children were excited, some were a little nervous, but all took the health and safety protocols seriously and impressed us with their mature approach.

These photos give you a peek behind the lobby gate and side door at how well your children listened to their teachers and teaching and learning assistants and followed our protocols.

Arrival at school at 07:15

Practising social distancing around the campus

Collection point at 11:30

Entering School

Face-to-face learning in the classroom

Breaktime

Pick up time at 11:30

Virtual School Experience Focus

Music ECA Roundup from Mr Brent

It has also been fortunate for NAS to have been able to partner with Bina Music Jakarta (BMJ) as part of the inception of our Instrumental Music Programme (IMP). BMJ have worked with Nord Anglia children and are ready to welcome more students, especially online (contact Mr. Brent for more details).

It has been a year filled with learning for everyone and it is truly inspirational to have seen the commitment of numerous students across the school to our online Music ECAs. Students from Year 1 to 7 have participated in various lessons with Mr. Brent including, drumming, guitar, ukulele, trumpet, recorder, piano, voice, violin and music technology.

During the next school year, we hope to be able to offer face-to-face IMP lessons on campus at NAS Jakarta and at the BMJ studio. Thank you again for the support and enthusiasm of students and parents and enjoy the summer break.

Diary Dates

The end of the academic year is Wednesday 30th June. The school year will end with a **whole school assembly** to which all NAS families are invited. The assembly will begin at **11:00** and the school year will end immediately afterwards.

As we have a limited number of attendees, please use **one device** as a family and the following link:
