

Dear Parents

Next week is our 'International Week'. Each class in Year 3 is studying a different country in **Asia**, selected by the children and staff members collaboratively. 3N are studying **Japan**; 3A are studying **Sri Lanka**; 3I are studying **China** and 3S are studying **India**. Within this week the students will work together to find out key information about the country, including; culture, climate, food, language, and famous landmarks. This will all feed into creating an 'on-location' report which will be shared with other classes in the year group at the end of the week.

Our week starts with our International Fair, set up and run by the PTFA. Demonstrating the many nationalities within our school, the International Fair will show culture, food, language, as well as many other interesting features of our global network of families.

Please remember that students are invited to dress in their home country clothing or colours on Sunday 10 December, bringing their home made A4 national flag.

Notice & Reminders:

- We hope that you enjoy your books from the Scholastic Book Fair. There will be another book fair in the new year; watch this space.
