

Dear Parents,

It is a busy time as we enter the last few weeks of the term. The children are still working hard on their learning, finishing up units of study and themed learning topics. They are reviewing the targets they set earlier in the year and seeing just how much progress they have made over this long term and feeling proud of their accomplishments. You will receive an end of term report on Monday 16 December which will celebrate the children's learning attainment and progress. You will then have a chance to meet with your child's teacher at Parent-Teacher Consultations in January to discuss attainment, progress and next steps in learning. Of course, teachers are always happy to meet with you so please do speak directly to

them if you have any immediate concerns.

We have also loved seeing the children practise and perform in their concerts. These were lovely events that brought that school community together to celebrate how amazing our young learners are; confident, happy, energetic and a joy to watch on stage. From the jumping foxes to the sleepy lions, the sneaky Oliver Twists to the marching trombone band, we were highly entertained by the creative talents of our amazing children. Well done to everyone!

As we enter the festive season for much of our school community, with Thanksgiving celebrations and preparations for Hanukkah,

Sinterklaas and Christmas getting started, we appreciate that this can be a busy and exciting time for the children. We will do our best to keep the children focused right until the end of the term but will add some extra fun in the form of end of term parties and some special activities. Teachers will keep you updated. We are also looking forward to everyone joining us next week for our NAS Bazaar. This is shaping up to be a great event so do book the date and bring along your family and friends.

Thanks for your partnership.

A Magical Carnival of Animals

Our Early Years Cubs are very proud to be our little animals and so decided to perform some special songs as a celebration of the wonder of the animal kingdom. We had a joyful morning as the children took to the stage to perform in their Carnival of the Animals Concert. Dressed up as their respective class animals, they sang and danced and generally entertained the large audience of family and friends, and despite being so young, they children showed great confidence on stage. Of course, with such young children, there were some precious off-script moments; the swan swimming away, the lion sleeping too long, or the fox shouting a bit too loud - but they simply added to the magic of the morning! Well done to everyone involved and thanks to our great audience.

Broadway att NAS Jakarta

The primary students embraced the spirit of Broadway as they entertained us with a musical medley of songs from famous stage musicals. There was great variety in the performances which took us on a journey from the Austrian mountains with the Sound of Music to the rainbows of the Land of Oz. The children sang beautifully and showed great stage presence in front of a large audience. We were impressed not just by their musicality but by their energy, confidence and high levels of engagement. Well done to everyone!

NAS Bazaar – supporting YPI

YPI Charity Support

We are looking forward to our annual Bazaar on Saturday 7 December. All the money from the entrance tickets and the proceeds from the raffle will be donated to our selected school charity Yayasan Prima Unggul. This wonderful organisation has an ambitious mission to break the cycle of poverty for local young people through education and entrepreneurship. Funds are needed to support the deliver of their mission through training programmes and enterprise schemes and also to secure appropriate accommodation to scale up the business to increase impact. We are proud to be supporting this organisation.
