Co-Curricular Activities Booklet

Term 3, 2021-2022

Co-Curricular Activities (CCAs) are an integral part of the education offered at BIS HCMC and provide our students with a broad range of learning opportunities which positively impact many facets of their development, including academic progress. The diverse co-curricular programme is designed to enhance the core curriculum and provide opportunities for students to broaden their interests and perspectives of the world as they develop a range of skills including social, emotional, leadership, independence, collaboration, moral reasoning, decision making, problem solving, and critical thinking.

After a relaxing Spring break, students can look forward to the Term 3 CCAs starting from **Monday 25th April 2022** with an extensive range of choices centering around creativity, activity and community service, on offer. The music clubs continuing from Term 2 include Big Band, Brass and Jazz Ensemble, Chamber, Senior and KS3 Choirs, Male Vocal Group as well as the Senior and Year 7 School of Rock. There are also Show Workshops on offer from our Drama department together with IGCSE Drama support clubs. Additionally, there are a host of new clubs being introduced such as F1 in Schools, the Medical Society Club, Mock Trial, Particle Physics for Beginners and a Relaxation club which provides students an opportunity to learn and practise various methods of managing stress and increasing mental wellbeing.

Sports Information

Whilst the SISAC and FOBISIA seasons are not currently in competition, the BIS HCMC PE department would still like to give our students the opportunity for high quality sporting competition and physical activity. We will be hosting internal competitions that strive to promote individual skills and higher level tactics in a competitive environment. If you are new to BIS, aiming to improve your fitness levels or looking to get into the teams for next year, then be sure to get involved in our sporting and physical activity programmes.

The PE department will be running a series of lunchtime and after school sessions that will bridge the gap between a time of a lack of sporting opportunities and the resumption of competitive sport next year. This will include individual and team sports and physical activities, such as:

- Volleyball, Basketball and Football
- Cricket and Softball
- Swimming and Cross-Fit

The PE department looks forward to seeing the BIS Sports Stars of the future getting back to their winning ways this term!

Paid Activities **Subject to Change*

There are a number of paid activities that students can sign up for which are provided by external individuals and organisations. Kindly note that these are subject to change in accordance with health and safety regulations.

All of the information regarding these is detailed in the online activities booklet. If a student has selected a paid activity, an email confirming their choice will be sent to both the student and their parents.

The payment deadline for all clubs is Monday 18th April 2022

Activity dates for Term 3 2021-22:

Start: **Monday 25th April 2022**

End: **Friday 10th June 2022** (*Paid clubs will end on Tuesday 14th June 2022*)

CCAs may run before lessons and during lunchtimes, however, the majority are scheduled after lessons.

There are two sessions each afternoon with a five-minute change-over period (2:50pm – 3:50pm and 3:55pm – 4:55pm). If activities finish beyond these times information is detailed in the booklet.

Note: Any students participating in CCAs from 3:55pm will need to arrange their own transport home and should consider this before selection.

The aims of our Co-Curricular activities (CCAs) at BIS, HCMC are:

- To provide a wide range of enjoyable and challenging experiences above and beyond the timetabled curriculum
- To allow competitive teams, drama companies and music ensembles to reach high standards of team/group and personal performance
- To provide opportunities for students to aspire to elements of the school's mission statement
- To continue to develop our involvement in community work
- To offer a balance of endeavour which provides the framework for the IBDP CAS Programme

CAS at BIS

Creativity, Activity and Service are woven throughout the Co-Curricular Activities. Originating from the International Baccalaureate Programme they set out to challenge our students to show initiative and perseverance as well as to develop skills such as collaboration, problem solving and decision making. For a balanced experience, we encourage students to take part in at least one of each of the three areas below:

- **Creativity:** The arts, music, languages and other experiences that involve creative thinking.
- **Activity:** Physical exertion contributing to a healthy lifestyle.
- **Service:** Any collaborative and reciprocal community engagement in response to an authentic need.

Music:

For any student interested in signing up for Chamber Choir or Orchestra or Concert Band, please see Mr Alexander to arrange an audition.

Drama:

Students who have been selected for Night of the Musicals will be given rehearsal schedules through the classroom.

Workshops for next year's productions will be advertised on the bulletin and through the classroom, they are open to all students and you can select those that you would like to attend.

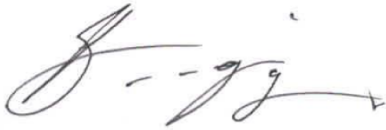

On-line CCA Selection – using SchoolsBuddy

Activities need to be selected using the online SchoolsBuddy system. Please see the next page for further instructions.

You will be able to see updates and changes to your approved activities through your on-line SchoolsBuddy homepage. Both the student and their parents will also receive notification when accepted for participation in a CCA.

For the majority of CCAs, the online system (SchoolsBuddy) will randomly allocate students to each CCA. As it is not a first come first served system, you may not always get your first choice activity.

Wishing you all a wonderful final term.

Guidelines for students using SCHOOLSBUDDY to select CCAs

On the Secondary Campus, there is the expectation that students independently manage their sign up and club selection themselves using SchoolsBuddy.

Monday 28th March at 5pm **Students will be able to sign up on SCHOOLSBUDDY**
(for Term 3 activities)

The activities booklet will be updated and available on the school website (link below)

<https://bishcmc.schoolsbuddy.net/>

Wednesday 30th March at 5pm **Selection on SCHOOLSBUDDY will close**

Thursday 31st March 2021 **Students and parents to be notified of their chosen CCAs**

SCHOOLSBUDDY has been set up for you to use on a daily basis to select and track all your chosen activities.

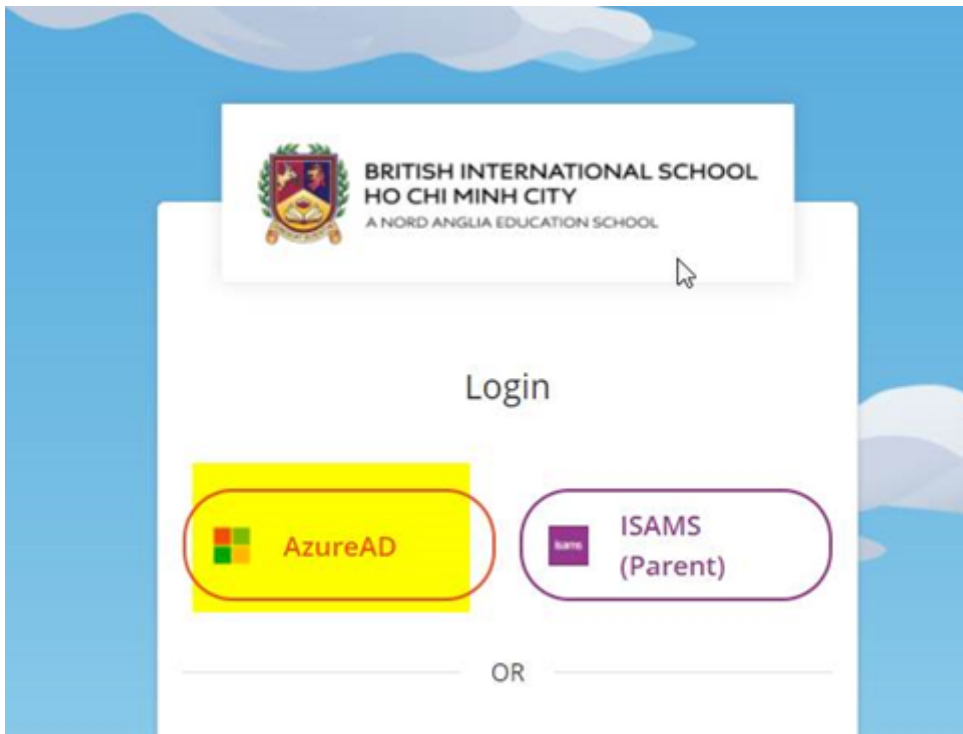

Students, please follow the instructions below to log on and select your desired activities/paid clubs:

To access the BIS SCHOOLSBUDDY portal please click on the following link:

<https://bishcmc.schoolsbuddy.net/>

You can also access SCHOOLSBUDDY from a link on the school website (www.bisvietnam.com). Scroll down to the end of the main page to the "Useful Links" section.

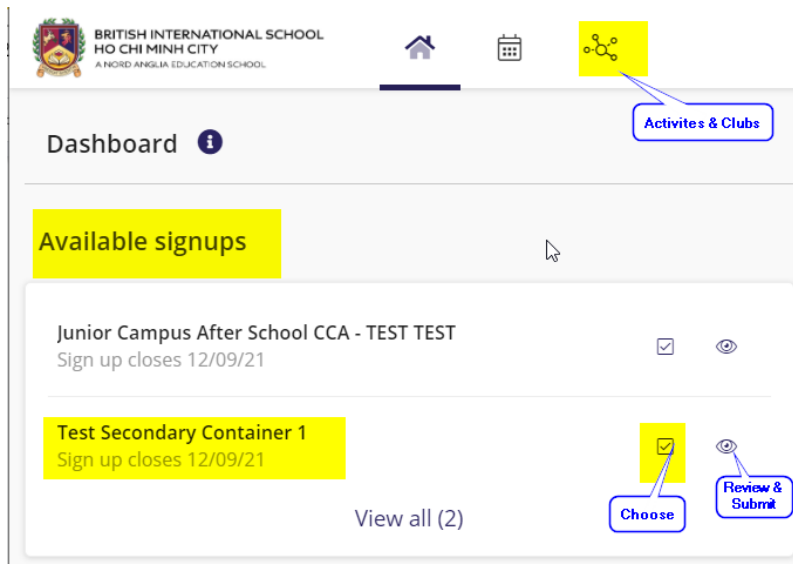

Click on "Azure AD" - there is no need to enter a username or password.

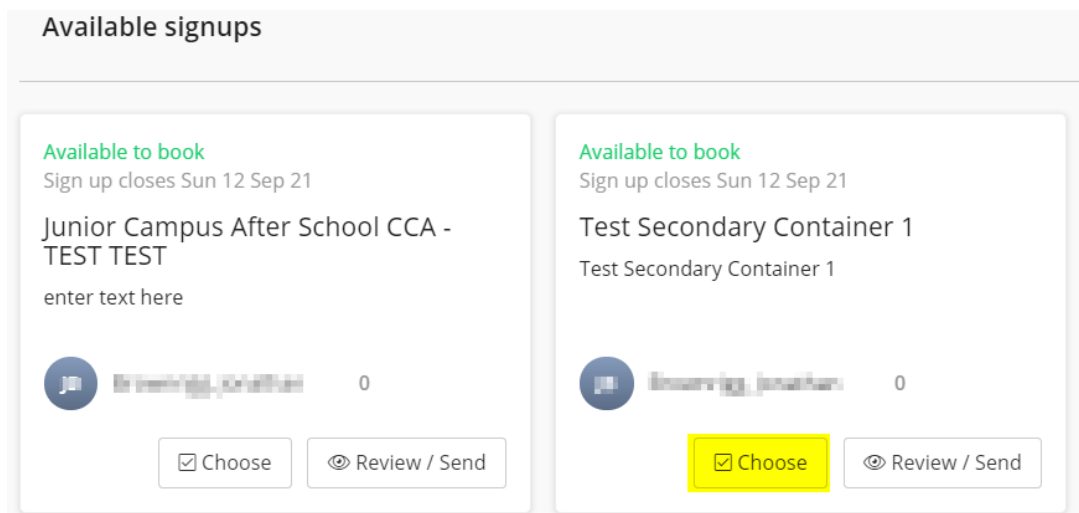

Should you have any issues please contact tracey.brownrigg@bisvietnam.com

Making After School Club Selections (CCAs)

1. Click the 'Activities & Clubs' tab, or click on an Available signups container.

2. Depending on the activities, clubs and care your school provides, you may see just one or multiple boxes similar to the one below. They should be clearly labelled so you can see what is available to you. Click the 'choose' button.

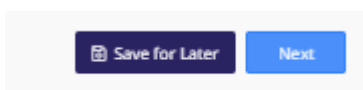

3. From there, the clubs that are available will be shown by day of the week.
4. Click the day of the week to expand the section.
5. Select your preferences for each club for the desired day of the week.

In the example below, Bobby Smith has selected Creative Coding Club on a Wednesday as their first choice, but, in case there are not enough spaces, Bobby has selected Music Technology Club as a second preference. Bobby is trying to ensure that they have a club on a Wednesday but show the school that they would prefer to do Creative Coding.

It is fine to leave some clubs without any preference selections, the tick will remain in the N/A box to show that you do not wish to select this club.

- When you have made selections for each of the days you would like, click the blue 'Next' button which can be found at the top right of the screen. Alternatively, you can also click 'Save for Later' and complete it later.

If you save for later, when you return to the Activities & Clubs tab, click the Review/Send button to complete your selections and send them to the school.

- You can click 'Edit Choices' to make changes if needed. When you are happy with your choices click 'Submit to school'.

Log into your SchoolsBuddy account for further details.

**If this email does not contain any selections then this will be because you have a sibling or another child at British International School Ho Chi Minh City and selections have only been submitted for them.

Many thanks

British International School Ho Chi Minh City and the SchoolsBuddy team.

[Go to the British International School Ho Chi Minh City SchoolsBuddy Portal](#)

11. When we have processed the after school club allocations, you will receive a further email communication showing which clubs you have been allocated or not allocated.
12. Your Diary will be automatically populated with the time and date of the events of the clubs/activities allocated to you.

Guidelines for Parents using SCHOOLSBUDDY to check student activities

Please note that information will only be available on SchoolsBuddy after the system goes live at 5:00pm on Monday 28th March and before closing at 5:00pm on Wednesday 30th March 2022.

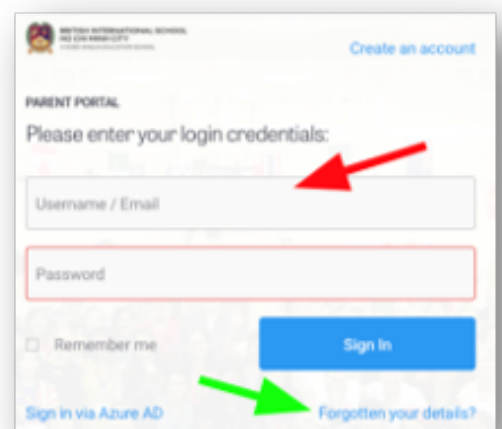

Only students may select CCAs - parental access is available to track their child's activities. It can be found by going to the SchoolsBuddy website:

<https://bishcmc.schoolsbuddy.net>

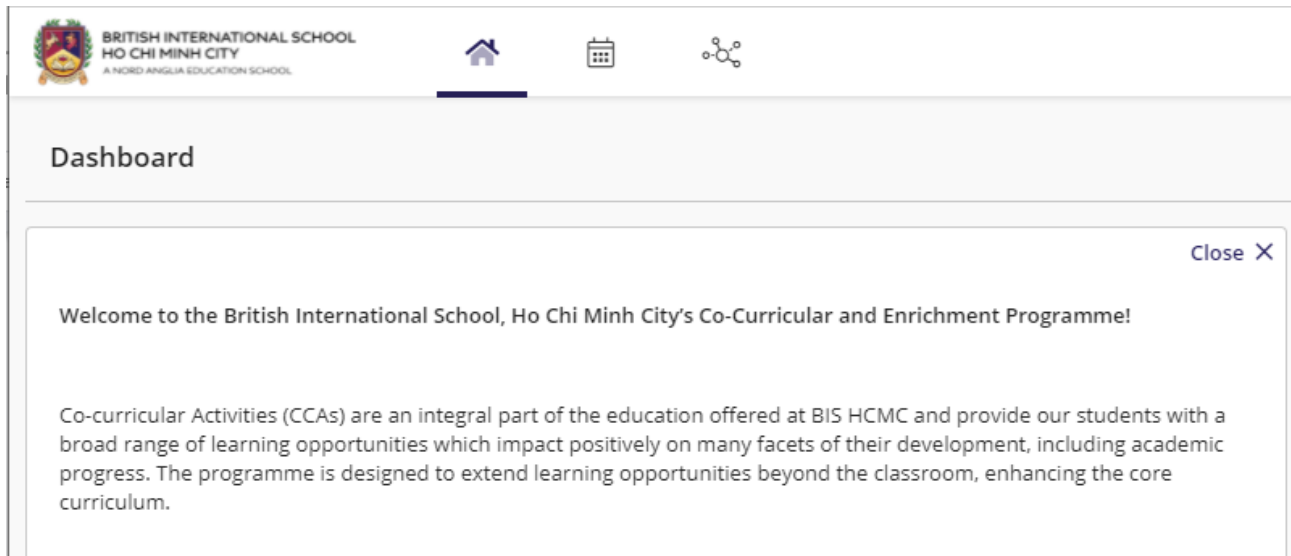

After clicking the link above, you will be directed to the login page. Do not add your email directly to this page, but instead, click on iSAMS (Parent) as seen to the left.

This will direct you to the iSAMS login page. Please login using details supplied to you by school. If a new parent, you will have received an email from school on your registered email address with the words 'New iSAMS Parent Portal Sign in' within the subject line. Use those details to set up iSAMS. If you have forgotten login details, simply click the 'Forgotten your details?' option (see green arrow).

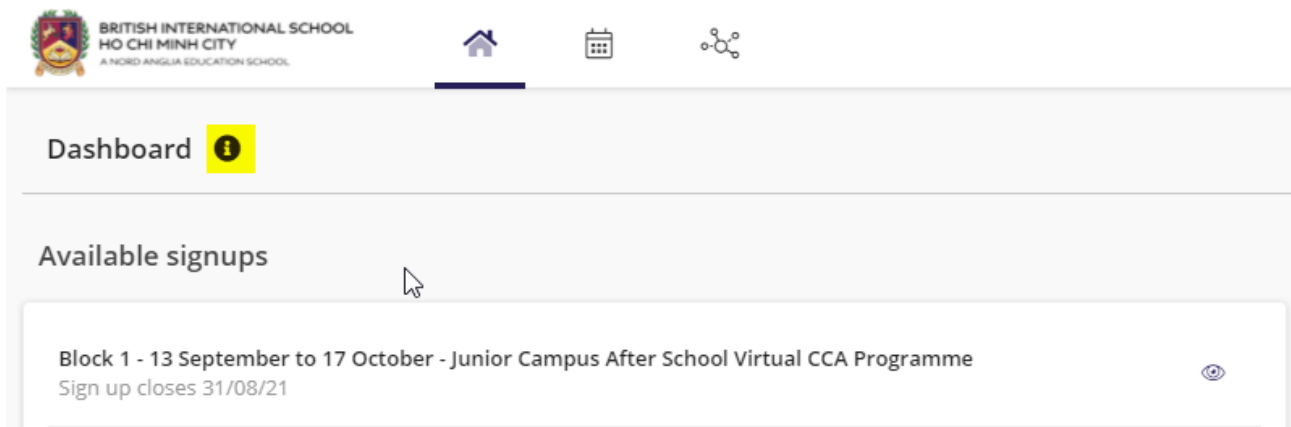

Once logged in correctly, you will land on your SchoolsBuddy Dashboard. It is on this page that you will again be able to see the VCCA Booklet and the welcome message from school.

The screenshot shows the top navigation bar of the SchoolsBuddy Dashboard for British International School, Ho Chi Minh City. The navigation bar includes the school logo, the text "BRITISH INTERNATIONAL SCHOOL HO CHI MINH CITY A NORD ANGLIA EDUCATION SCHOOL", and three icons: a home icon, a calendar icon, and a network icon. Below the navigation bar is a "Dashboard" header. A large white message box is displayed, containing the text: "Welcome to the British International School, Ho Chi Minh City's Co-Curricular and Enrichment Programme!" followed by a paragraph about Co-curricular Activities (CCAs). A "Close X" button is located in the top right corner of the message box.

If the welcome message has been closed on your dashboard, please click on the  icon to open it.

The screenshot shows the same navigation bar as the previous image. Below the navigation bar, the "Dashboard" header now includes a yellow information icon (i) to its right. The main content area is titled "Available signups". A mouse cursor is pointing at the text "Available signups". Below this title is a white box containing the text: "Block 1 - 13 September to 17 October - Junior Campus After School Virtual CCA Programme" and "Sign up closes 31/08/21". A small eye icon is visible in the bottom right corner of this box.

Dungeons and Dragons Club	Year 7, Year 8, Year 9, Year 10, Year 11	14:50	15:50	20	Mark Jones	Dungeons & Dragons is a roleplaying game about storytelling in worlds of sword and sorcery. It shares elements with childhood games of make-believe. Like those games, D&D is driven by imagination. It's about picturing the towering castle beneath the stormy night sky and imagining how a fantasy adventurer might react to the challenges that come presents. Unlike a game of make-believe, D&D gives structure to the stories, a way of determining the consequences of the adventure's action. Players roll dice to resolve whether their attacks hit or miss or whether their adventurers can scale a cliff, roll away from the strike of a magical lightning bolt, or pull off some other dangerous task. Anything is possible, but the dice make some outcomes more probable than others. In the Dungeons & Dragons game, each player creates an adventurer (also called a character) and teams up with other adventurers (played by friends). Working together, the group might explore a dark dungeon, a ruined city, a haunted castle, a lost temple deep in a jungle, or a lava-filled cavern beneath a mysterious mountain. The adventurers can solve puzzles, talk with other characters, battle fantastic monsters, and discover fabulous magic items and other treasure.
Economics Club	Year 10, Year 11, Year 12	14:50	15:50	20	Michael Mara	This club will help students get a greater insight into the economic concepts they learning inside and out of school. Our club will be based on researching and sharing ideas of economic phenomenon and events. It will be a great chance to expand participants' economic skills and knowledge.
Global Goals Project	Year 7, Year 8, Year 9, Year 10, Year 11, Year 12, Year 13	14:50	15:50	No Maximum	Lauren Binnington, Rosemary Doyle, Lois Topping	The Global Goals Project team is responsible for raising awareness of, and taking action towards, the Sustainable Development Goals which the UN hopes to meet by 2030. Develop your leadership and project management skills by planning events, running campaigns, and working together to develop our Global Challenge Action Plan. We will continue with the current Precious Plastic Project, Shooting Education, and celebrate the UN Convention on the Rights of the Child in 2020. We believe in thinking global and acting local to make a difference in the BIS community.
GreenR Minds	Year 7, Year 8, Year 9, Year 10, Year 11, Year 12, Year 13	14:50	15:50	20	Sarin Leigh	GreenR Minds is a group of students figuring out what we, as students, can do to tackle climate change and other environmental issues in our community, and putting those ideas into action. Our ongoing projects include the promotion of the e-waste disposal system, establishing paper recycling bins, and tackling the issue of plastic waste through interactions with a local school. Join us and share your ideas to make BIS (and the world) as sustainable as possible!
