

Season Four After School Activity Programme 24th April -14th June 2018

Tuesday ASAs

Name	ASA	Year Group	Day of the Week	Min #	Max #	Location	Description
Amrutha Kaimal	EAL Speaking and Reading	1	Tuesday	5	15	A209	In this ASA Year 1 EAL students will work on their Speaking and Reading Skills.
Kirsty Burkhill & Antonia Riboldi	Collage for Kids	1 & 2	Tuesday	10	15	A203	If you like to cut and glue, join me in this ASA to create some colorful mosaics.
Lisa Davies & Gloria Dai	Board Game, Domino & Card fun!	1 & 2	Tuesday	10	20	A219	In this ASA, you will learn how to play board games like Monopoly and scrabble. You will also learn how to play card games like rummy and sevens. Come along and have fun with your friends!
Linda Hu	Non-native group Chinese homework support	1, 2, 3,4	Tuesday	10	20	A307	In this club teacher will support the students with their Chinese homework. If homework tasks are completed, students will be able to try even more challenging tasks.
Silke Kicker & Cukki Yin	German support Club	2, 3, 4, 5, 6	Tuesday	10	20	A204	In our German ASA we will only speak German, learn how to use German Grammar in the correct way, read stories in German and sing German songs. This ASA is meant for students with a German as a second language background.
Wenqiao He	Ballet	2,3,4,5,6	Tuesday	10	20	Dance Studio	In this ASA, you will learn how to dance ballet and do some exercises, such as body control and power training. At the end of ASA, we will do a show for the parents.
Junelyn Han	Chinese Calligraphy	3 & 4	Tuesday	10	20	A214	Would you like to learn how to write Chinese characters with a big brush? Come and enjoy the calligraphy club! By writing with traditional Mao bi(the brush) you will explore the story hidden behind the characters and embraced with authentic Chinese culture.

Angela Divina	Wordtoons	3 & 4	Tuesday	10	20	A215	Wordtoons are a series of step-by-step drawing lessons. They are fun, incredibly rewarding and inspire creativity in children. You can turn words into cartoons by adding a few lines to magically turn the word into a cute cartoon. Join us as we combine writing and drawing alphabet letters in a creative way.
June and Joe Fan	How to Draw	3,4,5,6	Tuesday	10	20	A307	There are different themes for our drawing which could include: animals, seasons, cartoon, at home, and so on. Sometimes we can also try "blind drawing". Join us for drawing learning and fun.
Richard Burkhill	Eco Ation - Roots & Shoots, STEAM and Global Campus	4 , 5, 6	Tuesday	5	10	A322	This is the combined effort of Roots & Shoots, Art in STEAM and Global Campus towards a very worthwhile project which supports achieving the UN Global Goals for sustainability. <u>The participants of this ASA will continue from the previous Season, but if you would like to join there are some spaces left.</u> Eco Action empowers young people to become the type of leaders who will make right choices to build a better world through conservation. Students will develop skills and traits of compassionate leaders. From the classroom to out and about, this is an international collaboration with hundreds of thousands of Roots & Shoots members working to improve their communities and be the kinds of leaders that our world needs. Together, the actions taken by each individual weave together to create a tapestry of hope...a powerful ripple of change.
Steve Casey	Newspaper	5&6	Tuesday	10	10	A320	We will be looking at how to write articles for a newspaper- a journalist. We will use a template to arrange our articles whether they be sports, derring do or biographies. It will include interviews and photography and all other facets of a newspaper.

Wednesday ASAs

Name	ASA	Year Group	Day of the Week	Min #	Max #	Location	Description
Catherine Zheng	Yoga & Stretching	1 & 2	Wednesday	10	10	A308	Ready to stretch yourself? We will learn and become more flexible and strong.
Iris Baernreuther & Cukki Yin	Abstract Art	1 & 2	Wednesday	10	15	A 218	In this ASA you will be able to design and make artistic creations. You will use a variety of materials and techniques to create your own masterpieces, which you will be able to take home and enjoy.
Georgina Brice	Story Time Art	1 & 2	Wednesday	10	20	A110	Create Art from Storybooks! Each week we will read a different story and use it as a prompt to be creative. Using different materials such as plasticine, collage or paint we will re-create favourite characters or scenes.
Julia Huang	EAL Chinese native speaker Chinese lesson	1, 2, 3	Wednesday	10	20	A214	EAL Chinese native speaker only. We are aiming to help the students have the opportunity to learn Chinese language and culture. We will focus on listening, speaking, reading and writing practice and expand your thinking about Chinese literature.
Anna Dunhill & Coco Jiang	'Bookworm' Club	2, 3, 4, 5, 6	Wednesday	10	20	Library	This is a great ASA for those that just love reading. For some there is nothing better than curling up with a good book and having a chance to talk to a like-minded friend about what you have read. The Bookworm ASA will be based in the Library and students will be encouraged to challenge themselves by reading something new as well as favourite authors. To join this ASA you must already be an independent reader.
Michelle Bourne	Creative Club	3 & 4	Wednesday	10	20	A216	During our club we expect to recycle the daily supplies what may be called "rubbish" before. We will cut and stick beautiful things for our lovely lives, like photo frames, bookmarks, flowers and so on. Creative and environmentally friendly!

Judy zhu	Computer Coding	3 & 4	Wednesday	10	20	A305	If you want your child to be a thinker and innovator who can bring ideas to life, encourage him or her to learn how to program. Programming gives children confidence that they can be designers and builders. Join this ASA if you love computer based challenges.
Anna Aganian and Monica Wang	Colour Craze	3,4,5	Wednesday	10	20	A208	If you enjoy colouring and want to explore different colouring techniques, this club is for you. Colouring is a great way to relax and boost your creativity! It has even become very popular with adults. We will colour pictures of animals, famous paintings, floral designs and lots of other beautiful patterns.
Neil Corkery	Eco Action - Roots & Shoots, STEAM and Global Campus	4 , 5, 6	Wednesday	10	20	A301	This is the combined effort of Roots & Shoots, Art in STEAM and Global Campus towards a very worthwhile project which supports achieving the UN Global Goals for sustainability. <u>The participants of this ASA will continue from the previous Season, but if you would like to join there are some spaces left.</u> Eco Action empowers young people to become the type of leaders who will make right choices to build a better world through conservation. Students will develop skills and traits of compassionate leaders. From the classroom to out and about, this is an international collaboration with hundreds of thousands of Roots & Shoots members working to improve their communities and be the kinds of leaders that our world needs. Together, the actions taken by each individual weave together to create a tapestry of hope...a powerful ripple of change.
Abirami Warriar	EAL Writing Support	5 & 6	Wednesday	10	20	A205	The EAL writing support ASA is designed to help EAL students gain more confidence with their writing skills. Each week, the ASA will focus on adding varied vocabulary and grammatical structures to writing. Students will learn to produce a number of different written texts such as emails, postcards, blogs, short essays, interviews etc., This ASA will also help students clarify any doubts or questions concerning their English classwork.

Ellie Li	Native Chinese(EAL Chinese native speaker only)	4, 5 & 6	Wednesday	10	20	A215	EAL Chinese native speaker only.We are aiming to help the students to have the opportunity to learn Chinese language and culture during school hour. We will focus on listening, speaking, reading and writing practice and expand your thinking about Chinese literature.
Katy Phillipson	Art Master Class	5 & 6	Wednesday	10	16	A314	Art Master Class is for budding artists who have a passion for art in all its forms and want to consolidate and develop their already advanced skills. The children must be passionate about finding out about famous artists and the theory behind the work before learning skills to put their own ideas into practise. We will learn more about Pattern, colour, texture, tone, shape, space, form and line. We hope to hold an exhibition of the works produced in the third term to celebrate their skills and progress. A minimum number of students is required for this ASA to continue running into its second season. Its continuation will be confirmed after the ASA sign up has closed.

Thursday ASAs

Name	ASA	Year Group	Day of the Week	Min #	Max #	Location	Description
Inge Taalman Veronica Neresoff	Lego Club	1 & 2	Thursday	10	20	A218b	Be creative and build your own Buildings, cars, animals or other fantastic ideas with LEGO blocks.
Niki wallis	Singing and Dancing	1 & 2	Thursday	10	20	A313	Each week will be a different theme, we will act out stories, learn songs and dance moves related to the theme each week. Themes include pirates, creepy crawlies, trains, under the sea, night time...
Ed Davenport	Comic Drawing for Beginners - DC & Marvel heroes and villains.	3, 4, 5, 6	Thursday	10	20	A207	Learn to draw your favourite DC and Marvel comic book super heroes and super villains! Students will learn step by step instructions to create a full comic strip with action and story lines.
Charlotte Vines Grace Tang	Film Club	3,4,5,6	Thursday	10	20	A109	In this club, high recommended movies will be offered. Different activities after watching movies are also being available for the students who choose this ASA. For example, KS1 will be required to draw pictures or any interesting activities. Lower KS2 will be requested to retell the story or imaginary writing. KS2 will be required to write movie reviews. Join us for being movie fans.
Rosalyn Thomas	Games Club	3 & 4	Thursday	10	15	A318	A variety of board games that get the children to work on their teamwork skills and develop their strategical thinking. Some games will have an English or Maths link e.g. Scrabble and Monopoly.
Airen Sister	Dance Til U Drop	5&6	Thursday	12	18	Dance Studio	This ASA allows students to create original works and make their own dance.

Daniel Smith	STEAM Club	4,5,6	Thursday	10	30	A215	STEM is a curriculum based on the idea of educating students in four specific disciplines — science, technology, engineering and mathematics — in an interdisciplinary and applied approach. This club will pique students' interest in those areas so they want to investigate and find out how things work and how they are made.
Emma Brown	Minecraft	5 & 6	Thursday	10	20	A302	Do you love Minecraft? If you do, this is the club for you! We will play minecraft and swap tips and tricks so we can all get better!
Louise Luo	Computer Coding	5 & 6	Thursday	10	20	A305	If you want your child to be a thinker and innovator who can bring ideas to life, encourage him or her to learn how to program. Programming gives children confidence that they can be designers and builders. Join this ASA if you love computer based challenges.
Hayley Trowbridge	Hama Beads	5 & 6	Thursday	6	14	A321	Hama Beads are therapeutic, encourage artistic flair and provide a sense of achievement. They also help to improve co-ordination and fine motor skills. Come and enjoy Hama Beads, where each week you can express yourself and demonstrate your creativity.
Emily Newman	Eco Action - Roots & Shoots, STEAM and Global Campus	4,5,6	Thursday	10	20	A303	This is the combined effort of Roots & Shoots, Art in STEAM and Global Campus towards a very worthwhile project which supports achieving the UN Global Goals for sustainability. The participants of this ASA will continue from the previous Season, but if you would like to join there are some spaces left. Eco Action empowers young people to become the type of leaders who will make right choices to build a better world through conservation. Students will develop skills and traits of compassionate leaders. From the classroom to out and about, this is an international collaboration with hundreds of thousands of Roots & Shoots members working to improve their communities and be the kinds of leaders that our world needs. Together, the actions taken by each individual weave together to create a tapestry of hope...a powerful ripple of change.
