## Dubai Duty Free Tennis – Kids Day 2019

Tennis fever hit NAS Dubai on Monday as the schools tennis players, descended upon the Dubai Duty Free Tennis Stadium to take part in this year's JP Morgan Kids Day 2019! With over 700 students from across Dubai taking part, everyone had the opportunity to experience a variety of tennis related activities as part of the partner schools programme. Additionally, secondary students Nina Susic/Diren Kumaratilleke/Nickolas Cannon were selected to be interviewed by Dubai eye radio station on their predictions ahead of the start of the men's tournament. Ian Hamadan, was also given the chance to take on the professionals as they warmed up on center court.

The day finished with everyone watching the live first round match between Thomas Fabbiano (ITA) and Fernando Verdasco (EPN), a thrilling encounter which everyone enjoyed.

Mr. Thomas who was in charge of organising the trip, was delighted with how it went: "It's been a great day out at the Dubai Duty Free Tennis for all our students. As the schools tennis programme continues to grow, we like to reward everyone for their hard work and commitment to training the opportunity to see the professionals live in action. Hopefully this will inspire them to greater in the sport. Thank you also to Mr. Magardie and Mrs. Day for their support on the day.

## U13A Netball Tournament @ GEMS Wellington Int School

A great performance by the U13A netball team on Monday at the WIS netball tournament. All of the girls fought hard through the group stages with two wins and two losses. We then made it through to the plate semifinal meeting the NAS U13B team. Both teams played some nice netball, but NAS A getting more possession throughout finishing with a win. This then meant we met Jebel Ali in the final and a massive well done to the girls finishing NAS 5-2 JAS in the final, leading to a NAS U13A plate winners! Well done!
