

Dear Parents

This letter has been sent home to inform you about your child's learning for **next week**.

In **Literacy**, we will be building our comprehension skills and will be further exploring our wordless book 'Journey.'

In **Numeracy**, we will be working with shapes and finding lines of symmetry as well as completing the Numeracy Assessment.

In **Science**, we will be continuing with our topic of 'Habitats' and will learn about identification keys for various animals.

Our **IPC** topic is 'Olympics.' We will continue looking at different Olympic Parks and will design our own, thinking about what we need to include to make them successful.

In **Art**, we will be using clay to recreate the designs of Greek Plates, which we designed in previous lessons.

In **ICT**, we will start to work on our own Wiki pages about the Olympics.

In **PSHE**, we will be continuing our new topic of 'Healthy Me.' Last week, we started discussing what is healthy and what the healthy habits we should have. This week, we will continue with these discussions and further explore being healthy.

For **Spellings**, students will receive their spelling lists on Wednesday and will be tested on the list the following Wednesday. Students will have 9 or 11 words to learn during the course of the week.

Notice & Reminders:

- It is Assessment week next week, please do make sure your child is in school, on time, every day.
- On Thursday 8 March, students in Year 4 will be taking part in a House Quiz. Students can come to school in their House T-Shirts in support of their houses.
- Year 4 are looking forward to their trip to 'Bounce,' if you would like your child to take part in the trip on Sunday 25 March, please send in the signed trip form with the money.

We hope you have a terrific weekend!

Yours faithfully

Year 4 Team
