

Year 3 Home Learning Menu

Starters: Numeracy

-  Grab a bag of pasta. Count out 40. Group the pasta into groups 3. Are there any left over?
-  Grab a bag of pasta. Count out 40. Group the pasta into groups 6. Are there any left over?
-  Now use the chunking method. Can you solve: $75 \div 6 =$
-  Write a word problem for this question: $75 \div 6 =$

Main Course – you **MUST** do these every week:

- Read for 15 minutes - 5 times per week
- Check your spelling book (small orange book)
- Check your times table books (small yellow book)
- 15 mins on Mathematics/Reading Eggs – 3 times
- Numeracy – Abacus Bingo division activity
- Literacy – Conjunction activity sheet – choose one to complete

- Everyone **must** finish the main course every week. Work must be completed in your Home Learning books and returned to school by Tuesday.
- Everyone **must** attempt one, or both, of the dessert projects. You will be asked to present your work to your teachers and peers.
- If you are feeling *extra* hungry, you can order from the starters. These will focus on a different subject each week. Each dish has a difficulty rating. The more chillies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes? Time spent as a family is important and you can learn together whilst having fun.

Dessert: Projects are due on **Thursday 10 May.**

- Build a treasure chest and fill it with things (or pictures of things) that are special to you.
- Create a poster or model showing the life processes of a chicken, frog, butterfly or seed

Sides: Family Fun

- Global Campus:** To log in go to <https://alkhor.learn.nae.school/> Find a book that you like from the Global Library and write a book review. You can add it to the Padlet page for each book.
- Show your parents your science fair investigation. Explain to them what is happening. Just like a YouTube video!
