Introduction

Athletic potential is largely predetermined by the genetic make-up of each individual. The extent to which that potential is realized is a culmination of coaching and recreational experiences. Elite performers of team sports report on having experienced a range of different activities during their early years. Research suggests that it takes eight to twelve years for a talented athlete to reach elite level. For athletes, coaches and parents this is a long-term challenge.

Mission

The Sport Department at BSB will endeavor to provide and maintain a high quality program that will strive to achieve excellence and help to develop a commitment to lifelong involvement in sport.

Our Beliefs

- Involvement in a variety of sports supports and extends the overall learning experience.
- Every student that expresses an interest in school sport deserves the chance to be involved.
- Participation in sports provides opportunities to develop important life skills including teamwork, time management, responsibility, leadership, tolerance and personal integrity.
- A successful sports program needs the cooperation and support of the parents, students and the entire school.

OUR HOUSE SPORTS PROGRAMME

Sport starts within curriculum at the physical education (PE) level. All students, while attending BSB, participate in regular timetabled PE lessons.

Within these lessons, many of the units of study mirror the core sports we participate in at the ISAC/ACAMIS/AISA/FOBISIA level. At the end of a unit of study in line with the sports seasons and calendar, students have an opportunity to play each other through inter-house sport competitions.

House sport competitions are scheduled during PE lesson time as well as sometimes on a whole school basis.

For example, the Secondary Day of Sport (Athletics/Swimming/Rugby/Netball) is scheduled for the whole day of Tuesday October 14th 2014. Students on this day will participate in the above mentioned sports by age, i.e. U19 or U14.

Students at BSB, no matter if they choose to play for the school on one of the many sport teams (in 2013-2014 we had over 48 Teams), or within the school's PE curriculum, get the chance to experience playing in a competition.

Our House sport competitions mean that everyone gets an opportunity to play competitive sport. The schedule for the whole year of House Sports is shown on page 28 of this Handbook.

OUR INTER-SCHOOL SPORTS PROGRAMME

Core Values

Participation in the BSB Sport programme is a privilege, not a right. To represent the Bears all students are expected to show:

Commitment

- Stay with the sport team for the entire season. Students that quit may not join a second sport's team until the first team is no longer competing.
- Attend all training sessions as regularly scheduled.
- Determine personal goals.

Responsibility

- Learn to prioritize choices to achieve goals.
- Promote behaviours that show responsibility for rules, opponents, officials and teammates.
- Have open, honest and direct communication.
- Ultimately it is the student's responsibility to maintain the best academic performance possible.

Leadership

- Empower people to make the right decisions
- Become a positive role model
- Continually remind and refocus others on what is important

Travel

Students playing sports for the school can take the late bus which departs the school at 17:30 every Monday to Friday, the late bus is reserved for secondary students. Primary students will have their own bus after all trainings. It is the student's responsibility to contact the Sport Office before the start of the season if they require transport home after training.

ISAC fixtures, exchanges and tournaments all use school-approved buses. On all trips, athletes represent the school, community and the sports program. Appropriate clothing will be stipulated by the coaching staff. Released time from class for Sports will be confirmed by the Sport Office in advance of the trip. Students are responsible for school work that is missed and must catch up in a reasonable period of time which will be determined by the teacher and or the respected Head of Year in secondary.

Eligibility

All students must register their intention to participate before the start of each season using the Student Athlete Registration Form (printed at the end of this Handbook). Registration for all seasons can be completed at the start of the academic year. All student athletes should also be aware of the Athlete Code and Agreement which can be accessed in the Sport Office before the first game/fixture of the season.

All students may only train in their age group, which are as follows:

Secondary

- Under 19 Born after Sept. 1st 1995 and before Sept. 1st 2000 (U19)
- Under 15 Born after Sept. 1st 1999 and before Sept. 1st 2001 (U15)
- Under 14 Born after Sept. 1st 2000 (U14)

- Under 9 Born after Sept. 1st 2005 (U9)
- Under 8 Born after Sept. 1st 2006 and before September 1st 2009 (U8)

The sports program at BSB will ultimately be inclusive. However, at some levels such as the U19 level, selection may on occasion be necessary for ACAMIS and AISA squads.

Costs

There are no costs involved for student athletes that participate in ISAC sport events. For ACAMIS tournaments, students pay all lodging, transportation and tournament fees involved with their participation in the ACAMIS tournament. For AISA, students pay all transportation and tournament fees. AISA squads are homestay for lodging.

Training Overview

U14 / U12	Tuesday (Monday Season 1 only) & Thursday
U11 / U9	Tuesday
U15 / U13 (Season 4 only)	Tuesday & Thursday
Swim Team / Mini Squad	see Appendix B

All students that want to represent the Bears for any core sport must train in school with the squad as per the schedule. It is understood that students involved in swimming may have a commitment to an elite training program outside of school. In these cases parents of the swimmer should contact the Sports Office to establish a modified school training plan.

Students that play for teams outside BSB are expected to represent school if there are schedule conflicts. Parents are asked to consider this before agreeing to have their child participate in a BSB sports program. Parents should contact the Sports Office as soon as they are aware of any conflict; absences and outcomes will be reviewed and determined on a case-by-case basis.

Illness

If an illness occurs that is not serious to warrant a doctor's visit, the school nurse will determine the status of the athlete with regard to further sports participation.

Injury

While every care will be taken to ensure the safety of all students that participate in sports programs at BSB, participation in sports carries inherent risks and accidents are inevitable. All BSB staff are equipped to administer basic first aid and the school nurse will be available on site during the school day. In the event of a serious emergency, the nurse or coach in charge will assess the situation and determine the best course of action. It is the parent's responsibility to ensure that their child(ren) have Health Insurance Coverage.

Sports Facility Use

- Equipment and facilities should only be used when supervised by an appropriate qualified person. Those choosing not to abide by these rules do so at their own risk.
- Students using sports facilities (indoor or outdoor) must be appropriately dressed, including footwear.

Team Uniforms

U19 and U14 athletes have team uniforms provided. Players will need to bring their own sports footwear and sports socks. Uniforms are distributed before the team's first scheduled game/match. Upon finishing the season, players are required to return their uniforms to their respected coach(es). U12, U11 and U9 players should wear school PE kit for matches.

Swim team members are expected to purchase their own Aquabears swimsuit and team swim hat/cap.

All students who are provided a BSB team uniform must pay finance a refundable deposit of 300RMB before being issued their uniform/kit. This deposit is a one-off payment, paid once per academic year no matter how many sport teams a student plays.

Bear Parents Club

The Bears Parents works closely with the Sports Department. The Bears Parents Club's purpose is to support the Sports program by helping to promote student participation, facilitate communication between the Sport Office and the parents and to build spirit.

All parents of student athletes are automatically members of the Bears Parents Club and should expect to be actively involved in supporting the Sports program.

The Bears Parents Club meets before the start of each sport season and at the end of the academic year. If you are interested to get more involved in BSB Sports, contact sport@britishschool.org.cn or drop by the Sports Office anytime.

Awards are given for active participation in the sports program. Awards are made on the recommendation of coaching staff and, on occasions, by the players. Athletes must successfully complete the season to be considered.
