RE: YEAR 4 SUSTAINABILITY TRIP WEDNESDAY 11 JUNE 2014

Dear Parents/Guardians,

This term, as part of our Humanities unit of work investigating sustainable development, we will visit Anken Green, an environmentally sustainable development in downtown Shanghai on Wednesday 11 June. At the development, students will be learning about sustainable living and spend some time gardening in their rooftop farming operation. We will also be visiting the Urban Planning Museum to look at how life in Shanghai has changed.

We will depart school at approximately 8:50am. As the Skyfarm has limited space, 2 groups will visit Anken Green first whilst the other two groups are at the museum, then they will swap. All groups will return to school by 3:00pm in time for the usual end of day arrangements.

Children should come to school in their usual school uniform. However as the children will be completing planting tasks they may get soil on their clothes. Therefore please send a labelled bag containing an old shirt for your child to wear over their uniform for these activities. Your child may bring a camera on the understanding that they are fully responsible for its care and the school will not be held responsible for loss or any damage.

Students who normally have school lunch will be provided with a packed lunch on the day. All other students will need to provide their own lunch. You may wish to provide your child with some extra water and a small healthy nut-free snack. Students should be wearing a hat and sunscreen as most of the day will be spent outdoors. The children will need to bring their school bag with them to carry their belongings but they do not need to bring any money.

In order for your child to attend this educational visit, please fill in the permission slip below and send it back to your child's class teacher by Tuesday 3 June. We will also need one parent per class to accompany us on the day. If you would like to join us on the visit, please let us know on the slip below and we will respond to your offer once we have received all forms.

We are looking forward to another exciting outdoor learning experience.

Kind regards,

Year 4 Team
