RE: PERFORMING AT THE GARDEN PARTY

Dear Parents/Guardians,

As you may be aware, on Saturday 18 April our whole school community will be celebrating our 10th Anniversary with a Garden Party. This is set to be a fantastic event and a true celebration of our 10 years in Shanghai working with you and your families.

Some of our performing arts ensembles have been invited to perform at this event and will have an excellent opportunity to showcase their talent as well as gain experience performing in a different environment.

The event is taking place at school from 1:00pm – 4:00pm with musical performances throughout the afternoon. During the times when the students are not performing they will be able to enjoy the other attractions including vendors selling scones and jam, sandwiches, cakes, British cheeses, healthy snacks and lots more throughout the afternoon, as well as plenty of tea of course. There will be games for children to take part in and some amazing prizes in our lucky draw. We will also announce the winner of our #bisspuxi10 social photo competition.

The students will be representing BISS Puxi and so they must look very smart, wearing their performing arts uniform, unless they have been instructed otherwise to wear a specific costume.

We hope that all the students in the ensembles below will be able to attend the event and we will be in contact with them directly about the finer details.
