Dear Mr Thomas,

TBS Charities Appreciation letter

On behalf of The British School Kathmandu, I would like to thank you for your donation to the TBS Charities account to the amount of **1300GBP**. Your support will enable us to support the rebuilding process starting with 3 schools in the Dhading province as well as supporting the Disabled Newlife Center and Bungamati DSA school in Kathmandu with their rebuilding needs.

As you will know, the earthquakes in Nepal have caused a great deal of devastation and many children across Nepal remain without safe school buildings. The communities we work with are relatively isolated and improving education for the children in the Dhading region was already a high priority before the recent tragedy occurred. The need is even more urgent now.

Our thoughts are with the people of Nepal at this troubled time but with your generous support we can look to the long term in rebuilding these schools. Already, the support pledged has enabled the construction of temporary buildings, immediate aid and a renewal of hope in the communities that we are able to work with.

Thank you once again for your generous support and we will continue to send you updates on the progress we make in the coming months and years.

Yours sincerely,

John Moore
Principal
