# Rayyan Headlines

## Head of Campus update

Dear Parents,  
 Welcome to our new look 'Headlines'. I hope you all had a restful holiday and are all geared up for our even bigger and better Rainbow Picnic this year. We have the School Uniform shop, a book shop Goalz and Legacy Sports supporting the event this year. Please bring along a dish to share. We look forward to seeing you there.

You will have noticed the changes to the playground over the holidays. We have now added extra picnic benches, playground equipment and playground games at Rayyan so that the children can enjoy the outdoor space. I think some of our parents are enjoying them too.

We have a healthy eating policy to encourage children to be health and due to many allergies and food intolerances in school. Children are not allowed to bring birthday cakes or sweets to school to share in class. However they can bring a

party bag or treat for the class to take home at the end of the day. That way we do not infringe on valuable learning time in school. This week Year 6 visited the Roza Haddad flower nursery and learned about the growth process and how special colours are created. They brought some beautiful examples back to school. Year 1 also celebrated their Time Travellers unit by going on holiday. The passed through Passport Control, took their suitcases on to the 'aeroplane' and had a great learning experience on the trip.

This morning the University of Calgary students, who are working with us in school, presented a short assembly on safety in play. They will be at our Rainbow Picnic to tell you about it and are running a 'safe play' poster competition in school with prizes. More details to follow.

The library is now open for parents from 1.30-2.30pm on Tuesdays. Please come along and choose from

our parent's collection or help your child to choose a book.

Our school Wi-Fi system has been upgraded to provide various logins for staff, students and parents. When onsite, parents can now sign in to the **CISDR-HotSpot** and use the password **:cisdguest12**

This week the Student Council painted our new 'Friendship Bench'. They will be telling the children in class about the bench which will be a place to sit when you need a friend. It will be placed beside the climbing frame.

Our House Point system is well underway with children being awarded Dojo points for good work, progress, manners and general positive reinforcement. Our focus in school this half term is good manners; politeness, holding doors open, saying good morning and being kind to one another.
