Personal, Social and Emotional Development

Discuss the value of a balanced diet and encourage the children to eat healthy food.

Mathematics

Ask the children to describe the properties of 3D shapes around them.

My must do weekly tasks:

To be completed on an ongoing basis each week throughout the half term.

Physical Development

Visit your local swimming pool, compare the weightless feeling to being in space.

Understanding the World

If out after dark, help your child to look out for the moon and stars.

Communication, Language & Literacy

Listen and look out for news about space in the media.

Expressive Arts & Design

Draw a picture of the things you do in the day time and at night time.

Practise writing your name; make sure you start each letter in the correct place. Use small letters except the first letter of your name. NB: Do not forget to use the correct pencil grip!
