RE: IB CHEMISTRY LABORATORY VISIT

Dear Parents/Guardians,

To supplement the IB Chemistry course, we will be visiting the Shanghai Institute of Organic Chemistry at the Chinese Academy of Sciences on Monday 26 May. This will be a fantastic opportunity for students to see a working laboratory in action and strengthen their understanding of the analytical techniques they have studied.

We will leave at 1:00pm and return to school at approximately 5:00pm. We will be travelling by bus. If you wish for your daughter/son to travel home from the venue, please indicate this on the permission slip. The address of the venue is:

345 Lingling Road (close to Dong'an Road),
Xuhui District,
Shanghai.

If you have any questions about this please do not hesitate to contact me at p-joseph@bisspuxi.com

Yours faithfully,

Mr Pedro Joseph
Lead Teacher of Chemistry

PERMISSION SLIP: IB CHEMISTRY LABORATORY VISIT 26 MAY

Student Name: Form:

I give my daughter/son permission to visit the Chinese Academy of Sciences.

I do/do not (please delete as applicable) wish for my daughter/son to make their own way home from the venue.

Name of Parent/Guardian.....

Signed:
