LOST PROPERTY

Mr Short (DCIS Principal) ran through the process for lost property. He stressed the importance of all items of uniform and equipment to be named to facilitate return of lost property. He also reminded parents that the adherence to school uniform is imperative. Zoe Hancock (Director of Admissions & Marketing) advised that a cupboard had been identified to store all lost property next academic year.

TERM 3 EVENTS

The Parents' Social is being held on the 11th May. Tickets are now available to book online and booking will close on Tuesday 30th April.

The Family Sport's Day is scheduled to be on the 15th June. No sports have been finalised yet due to the ongoing building work and the logistics of where each activity will be situated. The event is aimed at both primary and secondary children plus parents. There will be different sports to try this year.

There will be a used uniform sale at the end of term. Celeste asked parents to check the sizes of the items they buy as they can vary from new items as they have been washed.

AOB

Zoe explained that she was working on next year's school calendar and requested that if parents had any ideas of things to incorporate in the calendar or would like to suggest any new events for the DCA to consider running please send them to her.

TEACHER APPRECIATION EVENT

Parental help and support will be needed for this event. As this is a surprise event please don't discuss it with teachers. A step by step guide will be sent out via the class parents to each class in every year group nearer the time.

Aisling closed the meeting at 10.30am. No date was given for the next meeting.
