

Sharing a Love of Music

The Nursery children had a special visit this week from the children in Year 4. The Year 4 students have been working hard since the beginning of the year to learn how to play the recorder and this was a great opportunity for them to perform to an attentive audience. The Nursery children were treated to a classical favourite “Ode to Joy” and the popular song “Baby shark”, all played from memory! The Year 4 students were very caring and patient with their younger school mates as they shared their interest in the recorder. A great way to share an interest in music while also helping the older children to develop confidence and leadership skills.

Making the Perfect Sandwich

As part of their English learning in Year 1, the children are learning to follow, order and write instructions. To connect their literacy learning to real life contexts, the children made their own cucumber sandwiches; they had to carefully read and follow instructions in the right order to ensure that their sandwiches were ‘just right’. The children were very proud to have followed the instructions correctly and delighted by their rather tasty sandwiches!

Robotics

Over the last couple of weeks, Year 3 have spent time learning about technology including how to programme and control robots using the Wonder Software. The children have been really excited to play with the robots and have demonstrated excellent problem-solving skills to find solutions to problems that they have encountered.

This introduction to technology allows children to explore various possibilities of control and programming before moving onto more sophisticated coding. The Dash and Dot robots that we use are extremely versatile and have many different attachments such as pens, hooks and arms to really extend children's imagination and thinking; allowing children to think outside of the box and be really creative.

Learning Overview

Weekly for each class

Class News & School Newsletter

Every two weeks (alternating)

Parent Teacher Conferences

Wednesday 29 & Thursday 30 January

Wednesday 22 & Thursday 23 April

Learning Showcase Week

Foundation 1-2: Tuesday 18 February

Year 1-2: Wednesday 19 February

Year 3-6: Thursday 20 February

Catch Up & Coffee (Nursery & Foundation 1)

Thursday 30 January

Thursday 27 February

Thursday 19 March

Thursday 30 April

Parent Workshops

Primary Themed Learning (Year 1-6): 24 January

Safer Internet Use (Year 4-6): 28 February

Transition Foundation 2 to Year 1: 4 June

Transition Year 2 to Year 3: 5 June

STEAM Week

2-6 March

JASIS STEAM Event

Friday 20 March

Swimming Galas

Primary: Monday 16 March

EYFS: Tuesday 17 March

Sports Day

Primary: Thursday 16 April

EYFS: Friday 17 April

Book Week

20-24 April

Family Fun Day

Saturday 9 May

Primary Drama Production

Friday 15 May

Indonesia Day

Friday 29 May

Talent Show & Garden Party

Friday 12 June

Students Reports Issued

Thursday 11 June
