

# German & Spanish Curriculum Overview

## Modern Foreign Languages Key Stage 3- Year 7

### Introduction Phase

Students learn and practice basic communication within the classroom, such as asking for help, working together, being polite with each other or common language they will need during games or activities. They will reassess their levels, discuss how to make progress during the coming terms and set their own targets.

### My free time and hobbies

Students learn to talk about what they do in their free time. They will be able to speak about their hobbies and after school activities. They learn to say when, where, how often and with who they are doing those activities. Student will be able to give their opinion and to justify it. They will also start making references to past events.

From a cultural side, students will get to know free time activities in target cultures and compare themselves with typical teenagers from other parts of the world.

### My home

Students will learn to describe their home. They will be able to talk about the rooms in their house or apartment and what furniture or things can be found in different rooms. They will be able to say what they and their family members use different rooms for and make references to chores.

From a cultural side, students will get to know how people in target countries live and what typical houses look like. They will look at different statistics to learn about what activities or chores people do at home and reflect on how this compares to themselves.

### My city and travelling

Students learn to describe their city and where in the world it can be found. They will be able to name different places in their neighborhood and in Nanjing in general, like buildings, shops and tourist attractions. Students will reflect on whether Nanjing is attractive for tourist and convenient to live in. Students will learn about and discuss the different means of transportation. Student will learn to say where they go shopping and what they buy in different kind of stores. They will learn to describe the way in formal and informal language.

From a cultural side, students will learn about transportation systems in target countries or cities. They will look at typical shops and what to buy there. They will discuss what places are important in big cities.
