

# Toddler Cubs - Daily Routines and Provisions

*What will your child need whilst at school?*

- Nappies
- Wet wipes
- Nappy cream
- Spare set of clothes
- Water bottle

These can be brought in a clearly labelled bag and left in school. Your teacher will inform you when any of these need replenishing.

## *Snack*

School will provide the snacks each day, and these will consist of a range of fruit and vegetables. Please ensure that you let us know of any allergies medical needs.

## *Daily Routines*

- Our Toddler Cubs follow our EYFS Curriculum which you can find attached here.
- You can also find a sample of our daily routine attached.

## *Drop off and collection routines*

Due to the current COVID-19 Restrictions in place the morning drop off and noon collection routines are as follows:

- you can drop your child off at the South Park Reception between 7.30am and 8am, where your class teacher or TA will be waiting. Your child will then be taken to their classroom by their teacher or TA.
- at collection time (12 noon) your child will be waiting in their classroom and the teacher will be notified when you arrive to collect your child from the reception. They will then be brought to meet you.

## Circle Time

Circle time is a social skills time in the class, when the children usually sit in a circle together, either on the floor or on chairs. Their teacher is part of the circle, too, and while the teacher will direct the activities, she will encourage the children to speak and interact with each other. Often, an object like a large shell, a ball, a rubber egg or a teddy will be passed around the circle. When a child is holding the object, it's their turn to speak.

The teacher will choose from a range of activities, such as co-operative games, rounds, musical games, drama activities, talking and listening exercises, puppets and masks.

## Tinker Table

This is an area of provision where the children are encouraged to build and construct, using a range of resources such as building block and Duplo bricks. It aims to develop their fine motor skills.

## Creation Station

This is an area of the classroom where children will develop their creative skills, alongside their fine motor skills. They will use resources such as paint, coloured pens and pencils, and art materials like feathers and sparkles.
