

Dear Parents,

This week, the Basketball season began with our first games of the season played at home, seeing our D2 boys and girls playing against Dulwich College. Our D2 girls' team came up against an organised Dulwich team who were able to control the game and it took our girls until the second period of the game to score points. The game finished with Dulwich College winning 24 – 12. The girls will learn lots from their first game and, with a friendly game arranged for next Wednesday at SCIS Pudong, they can look at their system of play. The D2 boys played well as a team and individually, as they were in control of the game for long periods and were frequently able to break down the Dulwich College defence. The result for the game was a 35– 28 point victory, an excellent start to the D2 boys' season. Their next game will be against SCIS Pudong.

This morning, our U15 FOBISIA squad left to travel to Beijing for the U15 FOBISIA Games. Our boys and girls are very excited about the challenges they will encounter. We feel they will do well at football and basketball and, if they can reach their optimum performance levels in athletics and swimming, we should also see lots of success on the track and in the pool. We are very proud of our students and they will be the team to beat in Beijing – Good Luck! To keep up to date with all the action, please do keep an eye on our Tumblr page which can be found here: <http://nais15fobisia.tumblr.com/>

Next week is the final week of CISSA football fixtures, which will finish with end-of-season tournaments for all of our teams on Saturday 21st November. Our boys and girls have played exceptionally well throughout the season and have been outstanding ambassadors for our school. We look forward to seeing how they get on in the final tournaments.

We have plenty of other fixtures going on over the next week as well, in what promises to be yet another busy week for our students – all fixtures are available to view on the Sports Calendar on the school website.
