Terms and Conditions

Conditions

The IGCSE and A LEVEL scholarship (Year 10 – 13) are offered to students born in 2005 and currently are in Year 8 of 2018-2019 school year (equivalent to Year 9 in the English National Curriculum, 13-year system).

- Candidates shall have good ethics, excellent academic performance, GPA of 8.8 or above during the latest two school years.

Le Ngoc Thien An

An belongs to the group of Year 13 who just graduated from the 2018 school year at the British Vietnamese School BVIS HCMC. During the past A-Level exam, she achieved an impressive score of 4 A+ for 4 subjects in Chemistry, Physics, Mathematics and Advanced Mathematics. This achievement made Thien An's academic record more impressive and won a scholarship to study Chemical Engineering at the University of Notre Dame (ranked 18th in the American University rankings).

IGCSE and A Level Introduction

The International General Certificate of Secondary Education (IGCSE) is a 2-year curriculum organized by Cambridge International Examination. The obligatory subjects include English, Maths, Sciences and some other optional subjects, (there are usually 8-9 optional subjects). Students who finish the IGCSE with high grades shall have an opportunity to directly take A Level.

The Advanced Level (A Level) is a 2-year curriculum organized by Cambridge International Examination. Students shall usually take 3-4 subjects. Students who finish the A Level with high grades shall have an opportunity to be directly admitted to most of top universities in the world.
