

Year 3 Home Learning Menu

Starters: PSHE

Our Learner Goals: Resilience, adaptability, respect, thinker, cooperation, morality, enquiry, communication.

-  Draw a picture of how you show one of our Learner Goals at home.
-  Make a poster all about why **cooperation** is a good skill to have.
-  Why should we be **resilient**?
-  With your parents, try to figure out what each Learner Goal means. You can make a powerpoint or a poster to show what each one is.

Main Course – you **MUST** do these every week:

- Read for 15 minutes - 5 times per week
- Learning weekly spellings – please check the back of your orange spelling book
- Times table practise – 2, 5 and 10 times table
- 15 mins on Mathletics/Reading Eggs – 3 times
- Numeracy – Abacus Online Activity
- Literacy Activity – draw a dragon and write some descriptive sentences in your home learning book. **Challenge:** Can you use powerful verbs?

- Everyone **must** finish the main course every week. Work must be completed in your Home Learning books and returned to school on Wednesday of each week.
- Everyone **must** attempt one, or both, of the project deserts. You will be asked to present your work to your teachers and peers.
- If you are feeling *extra* hungry, you can order from the starters. These will focus on a different subject each week. Each dish has a difficulty rating. The more chillies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes. Time spent as a family is important and you can learn together whilst having fun.

Dessert: Project to be completed by **18 October!**

Please bring these into school this week.

- Create a fact file about all of the different dinosaurs that you know of.
- Can plants survive in Qatar? Try to grow a plant from a seed. What do plants need to grow? How can you make it grow the best?

Sides: Family Fun

- Bury some things in the sand (bones, shells, plants) and have your brother/sister/mum or dad find them.
- Paint the bottom of your dinosaur toy's feet and press them onto a piece of paper (dinosaur footprints).
