

Dear Parents

This letter has been sent home to inform you about your child's learning for **next week**.

In **Literacy**, we will be reading 'Quest' and will further develop our literacy skills based on the FLOs.

In **Numeracy**, we will be completing an investigation using fidget spinners as well as completing a mock test to help prepare us for the upcoming assessment.

In **Science**, we will continue with our topic of 'Sound.' We will be investigating volume using sound level meters.

Our **IPC** topic is 'Active Planet.' We will be designing, creating and testing earthquake proof buildings.

In **Art**, we will continue working on the volcano inspired artwork.

In **ICT**, we will continue to work on PowerPoints using our research on different volcanoes.

In **PSHE**, we will continue our topic of 'Relationships'. We will be discussing memories of someone we no longer see as well as remembering people who are no longer in our lives.

For **Spellings**, students will receive their spelling lists on Wednesday and will be tested on the list the following Wednesday. Students will have 9 or 11 words to learn during the course of the week.

Notice & Reminders:

- Please check out NAISAK's Facebook page to stay up-to-date on your child's learning.
- Please make sure to send your child to school in full uniform with a tie and black shoes.
- The weather is getting hot, please make sure to send your child to school with a reusable water bottle and cap.
- Year 4 is very excited about the **Science Fair taking place 8 May**. Please visit your child's class from 10 to 11:30 am.
- Please also **send a fidget spinner to school** with your child for our Numeracy investigation on **Sunday 6 May**.

Yours faithfully

Year 4 Team
