THE BRITISH SCHOOL
OF GUANGZHOU

A NORD ANGLIA EDUCATION SCHOOL

bsg.org.cn

The uniform is an important element of the British School of Guangzhou. We believe it has numerous benefits; helping students to focus on their work and their activities while at school, encouraging positive social interaction amongst pupils and even making life a little easier for parents.

We also believe the uniform can help to create a sense of community. When worn properly, it generates a shared identity among pupils and can help instil a sense of pride and belonging. Parents play a critical role in realising these benefits by making sure children wear uniform correctly every day.

Dress Uniform

'Dress' uniform is worn in the winter months (mid-November to April), but is also used for formal events and performances throughout the year. This includes choir and orchestra concerts, official school photographs and special visits.
