INTRODUCTION TO AFTER SCHOOL CLUBS

Term 3 2021/22

Dear All,

Thank you for taking the time to visit the After Schools Club (ASC) Programme Booklet for Term 3 2021/22. This booklet has been compiled to help both parents and students when making decisions within the ASC Programme. Please see the booklet as your companion to the programme!

This term will feature a slightly reduced offering of activities, particularly for our Secondary students, as many students reach a critical period for academics. However, we have endeavoured to offer a range of activities that honour our popular activities and provide new opportunities also.

Our staff are offering a wide range of activities throughout the different age groups and students were still able to select from a many and varied range of choices, despite largely being online. The ASC Programme aims to provide students with a platform of learning that is beyond the conventional curriculum or sometimes is just not possible in the regular curriculum due to time constraints.

- This results in a mixture of academic enrichment, sporting, performing arts and creative arts activities.
- All activities will run from 3:00pm until 4:00pm on the respective days
- Students can register for more than one activity per week, by completing more than one registration form.
- All activities will be live but may be supported through videos or recorded materials
- This is a perfect opportunity for students to access opportunities that might be limited within the scope of the curriculum. This is a perfect opportunity to learn something new.
- Activities for EYFS are limited to reduce screen time and also for KS4/5 (year 10-13) to help facilitate academic commitments.

If at all you have any questions about the ASC programme, please feel free to contact me. All details for the registration process can be found within this booklet. I hope the activities we have assembled here are just what you are looking for from the ASC programme this term and I look forward to seeing you all once activities begin shortly.

Mr. G. Obie

ASC Programme Coordinator

MONDAYS

QUIZ CLUB

Available for Years 1 - 3

Quiz club will get you thinking in the best way! We will have quizzes based on a range of different topics, of your choice! You will look at working in teams, working independently, possibly gaining new knowledge about things you may have never thought of and meeting new friends.

LEGO CLUB

Available for Years 1 - 6

Do you love being creative? Can you think outside the box? Do you have your own LEGO bricks? If your answer to these questions is YES, YES, YES then look no further than LEGO ASC. We will be developing our critical thinking skills while having lots of fun constructing our weekly challenges with the best resource in the world! I can't wait to see you there!

SPANISH BLOOKET LEAGUE

Available for Years 3 - 6

Practice your Spanish while playing and competing with Blooket.

KARAOKE CLUB

Available for **Years 7 - 9**

Feel like you are on La Voz (The Voice) in this club! Spanish Karaoke club is great if you like to practise the language by singing songs, studying the lyrics, learning new vocabulary and pronunciation, and Hispanic Culture through music. Sing your heart out with us!

ORIGAMI CLUB

Available for **Years 7 - 10**

Origami: the art of folding paper. Join me in making awesome animals completely out of paper! All you need is curiosity, perseverance, and (coloured) squared/Kami paper.

MINDFULNESS

Available for **All ages**

Mindfulness means paying full attention to something. It means slowing down to really notice what you're doing.

Being mindful is the opposite of rushing or multitasking. When you're mindful, you're taking your time. You're focusing in a relaxed, easy way.

Being mindful can help you: pay attention better; be less distractible; learn more; stay calm under; avoid getting too upset about things; slow down instead of rush; listen better to others; be more patient; get along better; feel happier and enjoy things more.

WEDNESDAYS

PAINTING CLUB

Available for **Years 1 – 6**

Painting Club is a relaxing, creative time for all of Primary from years 1 - 6. Guided by students' interests, we take the creative flow in directions they choose, with shared art inspiration each week, a relaxed time painting with music together, and an opportunity to show work and celebrate progress at the end of each session. We will begin with discussion of which styles we want to explore more of in the upcoming weeks (cartoon? realism? surrealist?) before delving into some longer projects in the final term of Painting Club this year.

MODEL UNITED NATIONS CLUB

Available for **Years 6 - 12**

Are you a leader? Are you interested in world politics and how the United Nations operates? Model United Nations is an academic simulation of the United Nations where students play the role of delegates from different countries and attempt to solve real world issues with the policies and perspectives of their assigned country. For example, a student may be assigned the United Kingdom and will have to solve global topics such as nuclear non-proliferation or climate change from the policies and perspectives of the United Kingdom.

The goal is that our BSY students will prepare and attend a Model UN (virtual) conference in Dubai. Once our team has registered for a conference, we will receive a country to represent. Each student on the team will be in a different committee with a different topic to research and represent. For example, we could be assigned China and have different students representing China in the disarmament committee, the human rights committee, the development committee, and so forth. Schools with larger teams will receive additional countries.

This club is a big commitment as you will need to be very self directed and expected to complete “assignments” from week to week that may need to be completed outside of the club time. We will use the ASC time to present information, work on speech delivery, debating, negotiating and resolution writing.

STUDY CLUB

Available for Years 7 - 10

Study club will focus on a range of different strategies to maximise study away from the classroom. It will give you the chance to work and have access to a teacher who might be able to best advise a way to tackle different tasks.

JOURNALISM CLUB

Available for Years 7 - 13

Ever fancied being a budding journalist. Ever wondered what it takes to get the 'scope' and that 'scoop'. Journalism is a great career which offers wide opportunities worldwide and the chance to improve research and language skills. If this seems like your kind of club, give it a go.

OPEN TRIVIA CLUB

Available for Years 7 - 13

Do you enjoy competing against fellow trivia buffs, asking and answering questions across a broad range of topics? Open Trivia Club is a great opportunity for you to show off your trivia skills and build your own knowledge along the way.

THURSDAYS

CHALLENGE THE TEACHER (Primary)

Available for Years 2 - 6

Come every week with a challenge for a variety of teachers, as they set you challenges back!! Pit yourselves in a range of activities and learn new skills too. One week, it could be juggling, next week baking! Let's see what you can create in the space of an hour. The possibilities are endless.

CHALLENGE THE TEACHER (Secondary)

Available for Years 7 - 10

Come every week with a challenge for a variety of teachers, as they set you challenges back!! Pit yourselves in a range of activities and learn new skills too. One week, it could be juggling, next week baking! Let's see what you can create in the space of an hour. The possibilities are endless.

MOVIE CLUB

Available for Years 6 - 8

Movie Club! Do you like movies? We do! Movie Club is about looking at movies through a different lens. Movies are made to be enjoyed, but they also tell stories with themes and have deeper messages for their audience. Movie club will look at the way films are created in order to better understand themes as well as help you make connections between films and real life.

ART FROM AROUND THE WORLD

Available for **EYFS - Year 6**

Each week, we will be looking at artists and techniques from around the world.

GAMING CLUB

Available for **Years 7 - 10**

Do you enjoy playing games at home? Then do it at school too!
Do you get told not to waste your time on games? Then why not make your gaming part of your schoolwork!

PHOTOGRAPHY CLUB

Available for **Years 7 - 13**

Taking pictures is something we all do almost everyday, but it is still an art form. How many of us know how to take the perfect picture? How well can you edit? Do you have the skills and understanding of light exposure and proximity? If all this intrigues, this is the club for you.

REGISTRATION PROCESS

ASC Term 3 REGISTRATION FORM

Please click and complete the Google form above to register. The deadline for registration is noon, Thursday, May 5th. Thank you.

Each student is able to register for ONE activity per week, for this term. The final week for activities will be the week beginning Monday, June 20th. It is important to remember that:

- Some activities have number caps, so you may not get the activity you registered for. If so, you will be contacted to discuss alternative options. If activities are over subscribed, preference will be given based on those who registered earliest.
- Some activities may require equipment and/or utensils.
- Some activities will need preparation beforehand, so you are ready to begin at the start of the lesson, such as the LEGO Club.
- As well as standing for After School Clubs, ASC also stands for A Serious Commitment!!! When making your selection, please be conscious of the following:
- The programme will run for several weeks. It is important to be present and punctual when you have your ASC, just like any regular school day lesson
- Some activities may require commitment beyond of the scope of the ASC, in order to run smoothly, such as the Model United Nations.
- Please make informed decisions about your ASC. Do not register unless you are committed, as this may prevent other students from getting a place in that club. Follow your passion or try to find a new one.

Once the registration deadline has passed, you will be contacted to confirm your place, along with the details of how to join the class online. Activity leaders may also be in touch if there are specific needs/ requirements for the class too. I wish you all an amazing term of ASCs - please do not hesitate to contact me if you have any questions or concerns.

Best Regards,

Mr. G. Obie
