

This Week in F2A

A look back at the week....

Reminders and Notices

Thank you for your efforts with making our Pirate Day a great success, the children have had a great day!

We hope you have a lovely half term break! School will begin again on Sunday 23 April, we look forward to seeing you then.

Please remember to include a sun hat, water bottle and sun cream in your child's bag.

After half term we will..

- develop our communication and language skills by sharing all of our holiday news,
- explore rhyming words,
- continue to subtract from numbers up to ten,
- develop our understanding of weight and mass.

At home...

We have put a home learning pack into your child's communication folder, for the holiday break. Do not worry if you cannot complete each page, any hands on and exciting experiences that your child can have during the break is wonderful for their learning and development.

Top Tip!

Help your children stay active and encourage physical development through movement. Follow the link below for some ideas: https://www.youtube.com/watch?v=oe_HDfdmnaM
