

**BY 2030, ALL COMPANIES
AROUND THE WORLD WILL
ADOPT SUSTAINABLE
PRACTICES**

GOAL 12 RESPONSIBLE CONSUMPTION AND PRODUCTION

THE GLOBAL GOALS
For Sustainable Development

In 2015 the United Nations brought into action the Sustainable Development Goals

End Poverty

Building
economic
growth for all

Fight Inequality

Ensuring
access to
education,
health care
and job
opportunities

Address Climate Change

Working to
preserve our
oceans and
forests

In 2017 we were challenged by Nord Anglia Education to take action to tackle Goal 11 and Goal 12

TARGET

11•6

**REDUCE THE
ENVIRONMENTAL
IMPACT OF CITIES**

TARGET

12•5

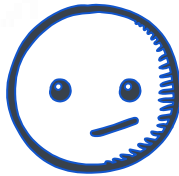

**SUBSTANTIALLY
REDUCE WASTE
GENERATION**

“China, Indonesia, Philippines,
Thailand, and Vietnam are
dumping more plastic into the
oceans than the rest of the world
combined”

– Ocean Conservancy (2017)

Remember the assembly by
Club CURE?

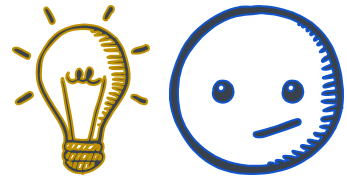

“Up to 19% of waste generated by schools in HCMC is **plastic waste**.

This is considerably **higher** than the percentage of plastic waste generated by households (10%) and restaurants/hotels (6%)”

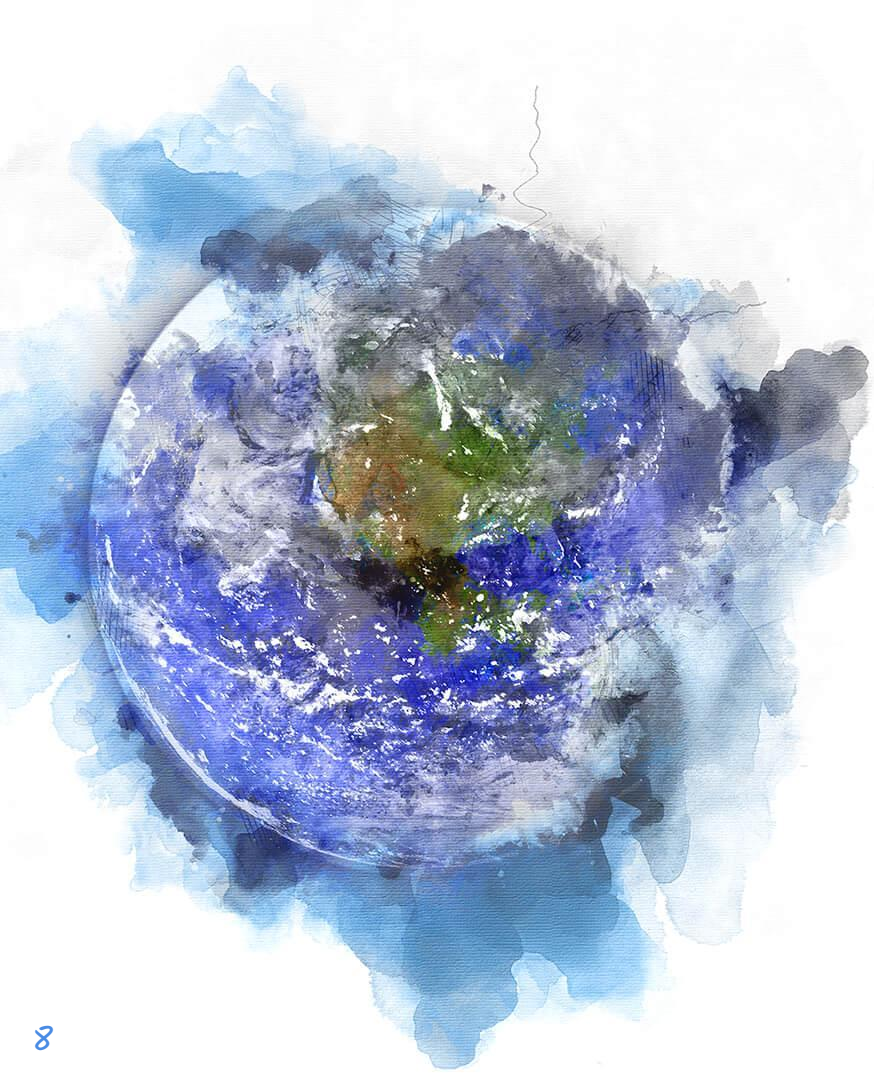

(Verma, Borongan and Memon, 2016)

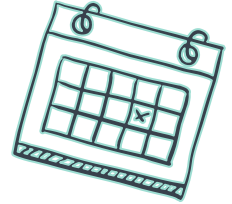

#2020PlasticPledge

Join us in our goal to ban all
single use plastic at BIS HCMC by 2020.

2020

It's nearly here

What are YOU going to do?

REFUSE

Consider before accepting freebies or giveaways. Many times you may not actually need what is being offered.

REDUCE

Small, conscious changes to your routine can make a big impact.

REUSE

Replace disposables with items that can be used repeatedly.

REPURPOSE

Breathe life into an old product by turning it into a useful new item.

RECYCLE

After exhausting the first 4 Rs, it is important to recycle all remaining paper, plastics, metals, glass and more!
