School Fees Policy

At Compass International School the academic year is split into three terms and each term is invoiced in equal instalments. All fees are subject to annual approval by the Ministry of Education and Higher Education (MoEHE).

Due Date for Termly Tuition Fees:

Tuition fees for each term are payable in advance before the start of each term. For information purposes we send out the invoices via email to the nominated contact email address of the parents, exceptions to this process will need to be notified in writing to the finance team. Term 1 is invoiced in June and payable in August, Term 2 is invoiced in October and Due in December, Term 3 is invoiced in February and payable in April.

Payment of Fees by Employers:

Where fees are payable by your employer and your employer is not part of a "guaranteed places" scheme with the school you are reminded that parents are ultimately responsible for payment. Any queries regarding non-payment will be directed to parents.

Mid-Term Starters:

Charging policy for mid-term starters is based on attended number of weeks.

Unpaid Fees:

Where fees remain unpaid:

- An email will be sent within two weeks of the term starting as a reminder.
- One month after the start of term the parents will be informed that reports or results for that term will not be issued where any part of the fees remain unpaid.
- Where the fees are still due and the term has ended, the student will not be allowed to reenroll for the following academic year and will be block in MoEHE till payment is done in full.

Where circumstances do not allow payment per these terms then the Business Manager should be informed in writing and where assistance is required, we will seek to accommodate.

Where we have unpaid fees at the date of transfer to another school, we will inform the new school regarding the unpaid fees.

Refunds of Fees Paid in Advance and Withdrawals:

Where a student leaves the school during the academic year the following apply:

- Notice of withdrawal is to be given 1 term in advance of the student leaving the school (i.e. the last day of the previous term)
- Where sufficient notice has not been given then the following term will be invoiced in full
- Where a student is leaving Qatar due to relocation of their parents and a cancellation of sponsorship occurs then we would refund with less than 1 terms notice on a pro-rata basis for number of weeks of the term attended. In this case please contact the Business Manager to discuss.
