

25th March 2019

Dear Parents,

'Boys Dance Project'

This year the annual dance production will take its stimulus from a variety of Art works. We are hoping to celebrate the development of boy's dance. Last year 9 boys performed in the Voyage production. However, this year we are extending the provision for boy's dance. We are offering 40 places to students in Year 5 – Year 8. There are 10 places per year group for students who would like to be part of the project. The project is 'Dance in a Day'. Students will work with **Nadar Musharbash** in a 1-hour workshop followed by choreography tasks and activities with Mrs Heptinstall – Lowe, to create a piece of work that will be showcased in the annual production. This is an amazing opportunity to work with such a talented and well-known choreographer. Nader Musharbash has worked with world famous artists such as Rita Ora, Beyonce and Pink as well as major TV productions: X Factor UK, BRIT Awards and MTV Awards. Nadar brought his Hip Hop choreography for students to learn at the BSME Dance Festival in 2018 and 2019. He is very popular and will work the boys intensively.

If your son is interested in the project, please look at the given dates. Your child can only register if they are willing to participate in the whole project.
