Starters: Times Tables

Make up a times tables song.

Say all of your tables out loud forwards & backwards

Eg: 8 times tables

0,8,16,24,32....

96, 88, 80, 72, 64, 56, 48....

Top marks- Hit the Button multiplication game online.

Mathletics- try to achieve 4000 points this week!

Main Course – you **MUST** do these every week:

- Reading:** Make sure to keep your reading log up to date.
- Spellings:** Use the worksheet you have from class to practise your weekly spelling rule.
- Times Tables:** Complete the tables work in your homework folder.
- Mathletics:** Complete the assigned tasks and do your best to earn as many points as you can.
- Reading Eggs:** Choose a book relating to Extreme Survivors and read it to earn your reading eggs.

- Everyone **must** finish the main course every week. Work must be completed by Tuesday.
- Dessert projects are optional. If you have completed it, you will be asked to present your work to your teachers and peers.
- If you are feeling extra hungry, you can order from the starters. Each dish has a difficulty rating. The more chilies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes? Time spent as a family is important and you can learn together whilst having fun.

Dessert: Your project is due on the 13th of December.

- Build a model of an extreme environment including all the plants and animals you would find there. Use your creativity and impress us! 😊
- Write an epic adventure story about survival.

Sides: Family Fun

- Watch David Attenborough's nature programs at home with the family.
- Choose a book to read to your parents. Read together and ask each other questions for fun.
- Have a discussion about your report and assessment predictions.
