RE: CAMBRIDGE ENGLISH LANGUAGE ASSESSMENT

Dear Parents

Your son or daughter has been entered for Cambridge University's Preliminary English Test (PET). This English language exam is taking place on Tuesday 2 December 2014.

Please see the Confirmation of Entry and Timetable which shows the schedule. It is important for security and integrity issues (so that we know the correct person is taking the exam) that your child brings with them some form of photographic identity like a passport or its photocopy.

This is an important exam for your child who has worked hard to prepare for it. Wish him/her luck!

Best regards

James Carson
Head of EAL
Centre Exams Manager,
Cambridge English Language Assessment
