Co-curricular Activities Booklet

Junior Campus
2020-2021

Co-Curricular Activities (CCAs) are an integral part of the education offered at BIS HCMC and provide our students with a broad range of learning opportunities which impact positively on many facets of their development, including academic progress.

Term 1 - Monday 21st September to Sunday 29th November 2020 (9 weeks)

Welcome to the Co-Curricular Activities (CCAs) programme at the Junior Campus, BIS HCMC. The extensive programme on the Junior Campus is designed to extend existing learning opportunities beyond the classroom and to give all children a wider range of fun experiences that enhance the core curriculum. This booklet will help your child to choose their activities for Term 1 of the 2020-2021 academic year.

There is an extensive range of CCAs available to choose from each week at the BIS Junior Campus, and we would like to challenge and encourage students to explore some of the exciting new activities being introduced. For a full list of CCAs offered in Term 1, please see below.

As part of our continued enrichment programme, we have organised clubs into 5 categories to help all children choose a variety of clubs with the aim to vary their experiences.

The categories are:

Art, Community, Language, Sports, and Technology

Clubs are divided into 2 different types:

Free clubs – offered by teachers covering a wide range of different activities.

Paid clubs – offered by outside providers, these clubs often require specialist tuition. Please note that during residential trips week, clubs will still take place. Overall fees will have taken this into account and there will not be a refund for sessions missed.

In addition to these offerings, **sport squads** will be chosen by the PE Department based upon a strong ability level linked to prior performance. Children may be invited to join some of the initial sessions before final decisions are made. On sign up, always remember to select *general* club preferences and Squad selections to avoid possible disappointment if a squad criterion is not met. **Squad selections always take precedence over general club preferences.**

Each child in Y3 to Y6 is entitled to enrol in up to three free clubs and unlimited paid clubs. Please note that **we do not guarantee three free clubs** as all selections are random.

Deputy Head Teacher – Junior Campus

Registering your child:

How do you register your child for a club?

You may register your child for a club from **Monday 24th of August at 9.00am until Friday 28th August at 12.00pm (noon)**. Clubs have maximum and minimum numbers which change according to the activity. See instructions on the following pages for CHQ Sign-up.

For those popular clubs that have set student limits, spaces are chosen randomly by CHQ and those who gain a place are notified. Children who sign up for paid clubs that are oversubscribed will be placed on a waiting list. Clubs may be cancelled if there are not enough children as required.

Paid clubs will be confirmed via email to those who have been allocated a place. The email will come with an attached letter for parents to print and complete. The letter will need to be submitted to the Junior Primary cashier within **the payment period (9th – 11th September)**. Please note, if **payment is not made** during this time, then the place **will** be offered to the children who have been placed on a waiting list - **this will be strictly enforced**. Please note that all paid club payments are non-refundable (unless BIS cancel the programme).

On-line Activity Selection

All activities (free and paid) need to be selected on-line, **so please do not email Ms Thanh requesting access**. Please see following pages for instructions and you will be able to see updates and changes to your approved activities through your on-line CHQ homepage.

Please note that your first, second or third preferences may not always be possible to allocate and due to this process there is no way of guaranteeing siblings will have clubs on the same day or time. Can I please make it clear that choosing carefully is vital as Ms Thanh will not be able to make changes once CCAs have been allocated.

Please take time to read through the rest of this booklet and log on to CHQ, and If you have any questions please do not hesitate to contact Ms Thanh at Thanh.Nguyen1@bisvietnam.com.
I hope your children enjoy the clubs on offer.

Please note, you need to consider club choices **very carefully**, as all clubs will be selected randomly by CHQ, **and there will not be an option to change clubs once selections have been made**. Changes of clubs are time consuming for the office staff and the decision has been taken to be strict with the no-change procedures. So please save any disappointment by **choosing very carefully**. Due to all clubs being chosen randomly, there will be those who miss out on CCAs, so we apologise in advance to those who do not get their initial choices. However, the system does record those who missed out on clubs and they will be given preference for that club in Term 2 and 3 if it is offered again. CCAs must be signed up on CHQ, as CCA allocation will not be accepted in the office. **This also will be strictly enforced.**

Before the club programme begins on Monday 21st September 2020, click onto the 'My Schedule' tab and scroll through to Monday 21st September - you will be able to see your accepted clubs. In addition to this, all accepted clubs will be confirmed to you via email before the Term 1 club programme begins.

Please remember that you may choose as many paid clubs as you wish that fit into your child's schedule and all clubs are subject to a minimum and maximum limit - **once filled there will be no additions.**

Please note – If you forget your login details, please follow the instructions below.

At the iSAMS website, click 'Forgotten your details?'. The system will ask you to fill in your username and the Security answer. You click 'Reset password' after adding this information.

Good luck with all club choices and we are looking forward to an outstanding CCA provision!
