

# Year 6 Home Learning Menu 26.10.17

## Starters: LITERACY

Create a wanted poster for Lochinvar and Ellen

Create a word search using all the technical vocabulary you have learnt while studying poetry.

Create a comic strip of one of the poems we have studied.

Create a play script based on either Lochinvar or Charlotte Dymond.

**Main Course** – you **MUST** do these every week:

- Read for 15 minutes - 5 times per week
- Learning weekly spellings
- Times table practise
- 15 minutes on Mathematics/Reading Eggs – 3 times per week
- Numeracy – Abacus online.
- 1 x Literacy Activity Sheet

- Everyone **must** finish the main course every week. Work must be completed in your Home Learning books and returned to school on Wednesday of each week.
- Everyone **must** attempt one, or both, of the project deserts. You will be asked to present your work to your teachers and peers.
- If you are feeling *extra* hungry, you can order from the starters. These will focus on a different subject each week. Each dish has a difficulty rating. The more chilies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes. Time spent as a family is important and you can learn together whilst having fun.

*Dessert: Project to be completed by 6 December!*

- Create your own lava lamp. The more creative, the better.
- Create a model of a rollercoaster. Your model should include the 'train' which should be mobile enough to stay on the tracks

*Sides: Family Fun*

- Listen to a family member read a story.
- Set the table for a family meal.
- Complete an activity on Global Campus, write about it in your primary passport to earn a stamp from your teacher.
