Dear Students, Parents and Teachers,

Greetings from Northbridge Catering, we are the suppliers of the cafeteria food service at Northbridge International School Cambodia.

Please be informed that we have a **debit card system** in place at Northbridge. This can be used at both the school cafeteria and also Cafe North. New Catering debit cards can be purchased and topped up at the Catering office inside the school's Secondary cafeteria.

Please note that it is required to show the debit card to the cashier when buying lunch, beverages or snacks.

For the school year **2020-2021**, we have kept the pricing structure the same as last year:

GRADE	PRICE 2020/21
EL2-EL4	1 Dish = \$3.00
KG to Grade 5	1 Dish = \$4.00 + additional food items for sale
Grade 6 to 12	1 Dish = \$4.50 + additional food items for sale
Snacks	1 Snack = \$1.00
Drinks	Range from \$0.75 to \$3.00

Notes:

1. The Catering debit card user has to pay a **\$2** fee. This is a one off payment.
2. You are able to 'top up' your balance at the Catering office (please ask for the receipt).
3. You are able to check your cash balance with your Catering debit card at any time.
4. Lost or damaged cards require \$2 for production of a new Catering debit card.
5. You can find out what meal items have been purchased when you visit the cashier.
