

1:1 iPads - Home School Agreement

At BISS Puxi we provide every child in Y5 and Y6 and Key Stage 3 with an iPad Mini (16GB 2015 model) and a range of e-learning tools and resources to assist and enhance their learning at school and at home. All parties involved (students, parents/carers and the school) must agree with all of the terms and conditions outlined below.

As a student, I agree to:

- Look after my iPad carefully at all times.
- Make sure my iPad is charged and ready for use every day.
- Make sure my iPad is kept securely in my locker or in an appropriate school bag when outside my class.
- Only take my iPad out in class or in my home - never in the playground, when walking between classes or when travelling to and from school.
- Only use my iPad in lessons when instructed to by my teacher and close it or put it away when my teacher says so.
- Only use programmes on my iPad that my teacher has agreed I can use in the lesson.
- Only use my iPad to record audio or video with the clear and explicit permission of everyone involved in the recording.
- Never access inappropriate content on my iPad.
- Not remove any stickers which identify my iPad and not allow it to be subject to graffiti.
- Immediately report any damage, loss or theft which happens in school to my class teacher.

As a parent/carer, I agree to:

- Ensure that my child cares for and respects their iPad.
- Set up an Apple account and support my child in downloading apps required by the school for learning.
- Be responsible for the repair or replacement of my child's iPad in case of loss, theft or damage.
- Ensure that the iPad is used solely by the child that the school has given it to.
- Ensure that the iPad is returned to the school if your child leaves the school within the six months of receiving it, or at any other time, if necessary, upon the request of a member of staff.
- Monitor my child's use of the iPad on the internet at home, to ensure that only appropriate websites are accessed and only appropriate apps are installed.

The school agrees to:

- Provide each student with an iPad and access to a range of e-Learning resources.
- Give students an introduction to using and caring for the iPad. This will include a session on security, e-Safety, maintenance and health and safety.
- Provide students with a range of learning opportunities which make use of the iPad, both in school and at home.

- Provide parents/carers with ongoing advice to help them support their child's use of their iPad.
- Provide a comprehensive Apple infrastructure (Air printing, Apple TV etc.) for effective use of iPads across the whole school site. The school will not be responsible for any content accessed when the internet is used out of school.
