

# Year 2 Home Learning Menu

WEEK B

Sent: 15.3.18

Due in: 20.3.18

## Starters: Numeracy

Count in 10s to 100 and back again.

Count in 5s to 100 and back again. Now try in 2s.

Write down the 2, 5 and 10 times tables.

Prove that  $2 \times 5 = 10$ ,  $3 \times 10 = 30$  and  $8 \times 5 = 40$ .

## Main Course – you **MUST** do these every week:

- Read for 15 minutes - 5 times per week
- Learning weekly spellings
- Times table practise
- 15 minutes on Mathletics/Reading Eggs – 3 times per week
- 1 x Numeracy – Worksheet
- 1 x Literacy Activity Sheet

- Everyone **must** finish the main course every week. Work must be completed in your Home Learning books and returned to school on Wednesday of each week.
- Everyone **must** attempt one, or both, of the project deserts. You will be asked to present your work to your teachers and peers.
- If you are feeling *extra* hungry, you can order from the starters. These will focus on a different subject each week. Each dish has a difficulty rating. The more chilies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes. Time spent as a family is important and you can learn together whilst having fun.

## Dessert: Project to be completed by 28 March!

- Use software online to create a mind map about a topic of your choice.
- Find out how cameras work and make your own pinhole camera.

## Sides: Family Fun

- Visit the children's section of the new Qatar Library. Maybe even get a library card and take some books out!
- Read a story as a whole family and then act out the story, with each family member taking on a different part.
