1. Interview and pictures to be arranged with Zach, and new chef and Marketing to introduce the new chef and highlight the improvements made to the menus. **ACTION:** Kirsty to inform Marketing of suitable time.
2. New salad bar is not very popular in Secondary. Feedback is that when you buy a protein option and then salad to go with it the meal is too expensive. Suggest smaller portion of protein be available to go with the salad. **ACTION:** Zack
3. Snacks are now available in the morning for Primary priced between 10-20THB. Not many are buying. **ACTION:** Rika will promote to parents and Susan will include in the Friday parent bulletin.
4. Early Primary snack can we cut down on sugar and not include fruit loops or chocolate cereal. ABC crackers with egg, cucumber and carrots is popular. Also just provide plain yoghurt every week, not strawberry. **ACTION:** Zack.
5. As part of our 25 pledges we would like to have meat-free Monday's. **ACTION:** Zack to propose Monday meat-free menu and BBQ option based on most popular vegetarian options.
6. Request for student leaders to police the recycling bins in the Tuck Shop area to ensure they are being used correctly. **ACTION:** Jodie
7. Secondary would like to award a voucher for students with the highest house points per class. Zack suggested he could fund half price salad voucher. **ACTION:** Ana to speak to Harry.
8. Jodie raised the issue of long lines in the Secondary canteen. Longest lines are for live cooking so this needs to be reviewed. Suggestion for a central till but if that was agreed it would be a long-term plan. **ACTION:** Susan to speak to Amos about live cooking.
9. Request for two people to work on the counter in the coffee shop during morning break time. **ACTION:** Zack.
10. Jodie requested that the pricing in the canteen be made clearer for Secondary students. **ACTION:** Zack to provide a breakdown to Susan to produce a chart that can be shared with students.
