

BIS HCMC Secondary Campus Weekly Sports Round-Up

Mon 2 - Fri 6 Nov

The final two matches of season 1 were played out in the last week by the U15 boys Basketball teams and their performances were exactly what the long hours of training were hoping for. We left our two most difficult games of the season until the end and each and every player on court rose to the challenge in order to comfortably and comprehensively beat both AIS and ISHCMC.

It has been a wonderful start to the year for boys sport at BIS. The boys U19 A and B volleyball teams, as well as the U15 boys Basketball teams won every game against all comers this season and the U13 boys Basketballers were only defeated once. This has been a credit to the coaches and players hard work in training and understanding in matches to implement the [BIS Sporting Ethos](#) whilst still winning games in the correct way.

The BIS PE department are looking forward to the girls leading the way in Season 2 with our excellent football and basketball teams itching to start their competitive sport against our rival schools.

We are now nearing the end of Season 2 Trials week for U19 Basketball and Badminton & U13 and U15 Football teams. We have had fantastic numbers for those teams trials, with over 40 students trying out for the U13 boys Football and U19 boys Basketball teams. The effort, attitude and level of skill was fantastic to see and it will be very hard to select a squad from these sports stars. As such, trials for some of these sports will continue next week. For all other trials, successful students (and parents) will be informed in due course and training will start next week. A reminder of the CCA slots for our Season 2 sports CCAs that will commence next week.
