Global Campus Weekly Update

Welcome to the Global Campus update for the week commencing **Monday 18th February**
For any questions or queries, please contact tom.handley@dovercourt.edu.sg

The students were joined by Miss Burke, Secondary Global Campus Lead.

This week, the Global Campus student teams met to look at some of the best games. They have now been given the task to ensure that the resources used are **sustainable** and can be used by Thai students for years to come.

We look forward to sharing the progress that the student make towards achieving this goal.

GC News: Global Challenge Update
This year, Global Campus Champions from Year 6 and Global Campus reps from our Secondary school are working together to achieve the **UN Global Goal 4: Quality Education.**

As part of this challenge, the students have created a selection of English Language games which will be taken on the upcoming **Year 6 Residential to Thailand.**

Ensuring that the games are sustainable is a big part of this year's Global Challenge.
