Sample of Artwork to be installed

The Telok Blangah Community Arts & Culture Club seeks to cultivate community spirit through the arts. This year's Façade Art installation is a part of the PAssionArts Festival that takes place annually in the month of July to celebrate community bonding through art initiatives. We are excited to partner with Dover Court International School to co-create this massive artwork that will be installed on the outer façade of Blk I Dover Road in the month of July.
