News: Creative Writing Competition 2018/19

Year 6 have been busy producing poetry ready for consideration in this year's **Creative Writing Competition**. This year's competition focuses on Global Goal 4: Quality Education. The students had to write from the perspective of a child seeking education.

The students enjoyed writing and recording poetry about a child's long and challenging journey to school in China.

We look forward to sharing more student outcomes with you all in the future.
