Fundraising on International Day

ID19 FUND ALLOCATION

Award of Funds Raised at International Day

Our International Day last year raised a total of 181,000THB

The ID committee were given the task of deciding where the funds should be used. They invited our community partners to bid for the funds with the aim of supporting projects that meet Global Goal 4, Quality Education for All.

There were 15 bids totalling over 600,000THB, so the students had to make some difficult choices. We are delighted to announce the successful recipients of the funds are as follows:

Feedback from last year?
