DCIS is an inclusive British international school. We offer a broad, balanced and differentiated programme operating within the framework of the English National Curriculum.

We are passionate about how children learn and committed to ensuring that the aspirations and potential of every student are fostered and nurtured. DCIS is part of Nord Anglia Education and benefits from the opportunities gained from being part of a family of over 55 schools worldwide.

We welcome students from 3 to 18 years old, from Nursery to Year 13. In Years 10 and 11 students work towards the iGCSE. Our Sixth Form offers the IB Diploma Programme.

We have a strong English as an Additional Language Programme and our Department of Supportive Education provides an environment where students of all abilities flourish. At DCIS, academic success is as important as all-round development and we try to live up to our motto every day.

Nurturing Ambition – Celebrating Diversity
