News: World Children's Day 2018

This week, students from Year 1 to Year 6 have been celebrating World Children's Day by taking part in a range of **Flipped Classroom** events throughout the school.

As part of these sessions, the students became the teachers and taught a range of skills and activities to their peers.

Also, student groups such as the School Council and the House Captains met with Mr. Short and members of our Senior Leadership Team to share issues that were important to them.

Thank you to all of the staff and students for supporting and taking part in World Children's Day this year!

UPDATE: 'Photographers of the Year' Competition

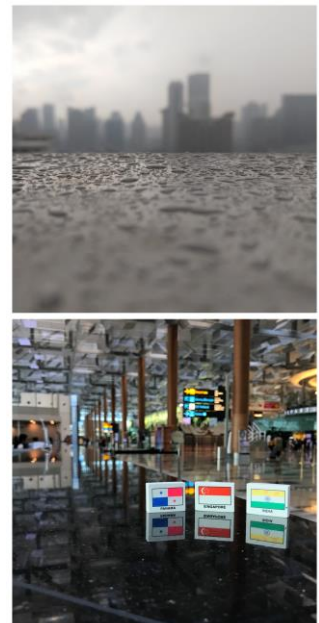

After receiving several hundred photo submissions from students around the world, special guest judge, Randy Plett, has shortlisted 60 photographs which will now go forward to the next round of judging.

We are extremely excited to announce that, among the shortlisted entries are Dover Court's Ada and Kabir!

A panel of judges will now pick 11 photos to feature on this year's 'Photographers of the Year' calendar. However the 12th photograph is a 'Student Choice' entry. **This means Ada and Kabir need your help!**
