家长进入 Managebac 系统

对于我们的 6-12 年級的初高中學生，我們都會使用 Managebac 系統，此系統允許我們的老師們在系統里公開老師們的学习教學計劃，學生學習任務以及教學資源，以及要求學生參與的學習項目，以及項目完成進度以及截止日期都會展示在系統的日曆上。

學生的每學期的期末報告，也是由 Managebac 發出

家長也可以隨時進入系統查看學生在課堂里老師布置的作業，以及學習情況。家長需要收到由 Managebac 發出的歡迎郵件於您的郵箱，您再根據郵件提示進行密碼更新以及進入。(<https://lem.an.managebac.com/parent/notifications>)

以上的圖示，顯示到如果您已經登陸成功過後，就會不定期的收到此類信息提示。

如果您新的學生家長，您會收到由 Managebac 發出的歡迎郵件到您的郵箱，您再根據郵件提示進行密碼更新以及進入，如果您有登錄問題，請隨時聯繫 Ms. Yiyi Zhou， Yy.Zhou@lis-chengdu.com，我們會盡快幫助您。

By now you should have received a welcome note from your child's advisory. Please know that the advisor is your first point of contact for any worries. The advisor is here to help and support your child.

截止目前，您應該已經收到您孩子班主任的歡迎郵件，如果您有任何的疑問以及顧慮請第一時間及時的聯繫孩子的班主任老師，班主任會及時的幫助到你們，

Parents' Access to Managebac

In grades 6-12, we are using a system called Managebac. This system allows teachers to post their plan of work, assignments and resources on line. Teachers also post due dates and events on the system's calendar. Student reports will be issue via the Mangaebac system as well. Parents have access to their child's classes and can see the work posted for each week. You will get a notification and you will have to log in to Managebac to see the actual work. ([https:// lem an.m anagebac.com/parent/notificatio ns](https://lem an.m anagebac.com/parent/notificatio ns)). Above you can see an image of the notifications you could receive.

If you are new to the school, you will receive a welcome email and help to log in to Managebac. If you are returning parent, you can use your previous log in. If you need help with your password, you can contact Ms Zhou Yiyi Zhou [:Yy.Zhou@lis-chengdu.com] who can assist you. Here is the site: [https:// lem an.m anagebac.com / lo gin](https://lem an.m anagebac.com/login)

By now you should have received a welcome note from your child's advisory. Please know that the advisor is your first point of contact for any worries. The advisor is here to help and support your child.
